Has Saved His Life!

Marvelous Cure! HARNEY, OREGON, April 30, '93.

O. W. R. Mrg. Co., Portland, Ore.

Dear Ster. About a year ago I was laid up with rheumatism. I was in a terrible state. I could not turn over in bed without assistance. As there was no physician in Harney I tried various ments, but they all failed. When my condition was very serious, as the pain seemed to be striking near the heart, your agent came along and had a bottle of Cango Oil. Hearing I was ill with rheumatism, he called upon me, and brought a bottle of Congo Oil. He mmenced rubbing me with it, and in ess than five minutes I was relieved; in half an hour I was able to swing my feet out of bed, and one hour I was down epplied it several times. From that day heumatism. I feel that I owe my life to the wonderful oil. All this can be verified by Fred Haines, of Harney, also the landford of the hotel and several A rich strike has been made in the others. I always carry a bottle of Congo dially recommend Dr. Grant's Sarsapa being, and I consider a wonderful on

Here also the problem of a sensible ved to the satisfaction of the whole colony, both men and women, for the former declare the suit adopted Eugene used the prescription and very neat and pretty, while the killed the borers in 1200 trees, and latter rejoice in its simplicity. The the trees too. costume consists of a short skirt, 11 woolen, a shirt waist of linen or silk. good reputation, living in Oakland, inches from the ground, generally of jacket to match skirt, and leather or cloth leggins. The boots are stout, common-sense ones, and the hat is a soft feit. Only those who have tried such a suit relize how comfortable it is and how much easier walking, rowing or climbing is made by it. Onteora is not the only resort this season where women are wearing clothes adapted to out door life. Dress reformers may as well smile at the prevalence of short skirts.

The editor of a fashion paper asks in its editorial columns, "Are we going to weare ankle skirts?" and answ ers it by adding, "Fashion certainly seems to be leaning that way, for skirts ars growing shorter." How much "The Amazons" may have had to do with inspiring girls with a longing for freedom of movement it vould be hard to say, but certainly short dresses are far more popular amonge vacation tourists, away from in Wm. Larger fish are being caught this year than for a number of years. Almost every day some successful fisherman carries up the street a salmon that will weigh forty-five pounds. The largest fish caught with a troll this season weighed forty-nine and one-half pounds. One weighing forty-seven pounds was caught last Sunday. From all reports, troll fishing is better on Tillamook bay than at any other point on the coast.-Tillamook Advocate.

Albert Hutton, a man about 42 years of age, walked into Amity from his residence, four miles east of that town, on Monday to see Dr. Woods about his health. He had been ailing from stomach and heart affection, but had kept up and attended to his daily work. He had been in the doctor's office but a short time, when he complained of 725 feeling ill, and expressed a desire to lie down. Before the doctor could 250 grant the request, Hutton fell upon the floor dead. He was a large man
