OFFICIAL PAPER OF THE CITY

FRIDAY, JULY 19.

OREGON PRESS ASSOCIATION.

The ninth annual meeting of the Oregon Press Association is hereby called to meet in the city of Newport on Saturday, July 20, 1895, at 8 o'clock p. m.

Is wool worth 14 cents? Then a ten cent tariff would make it worth 24 cents.

No more do we read ponderous platitudes from the pen of Grover Cleveland about dangerous surplus.

But a minority is left. Four men, Huntington, Crocker, Stanford and Colton organized and incorporated the Southern Pacific Co.

It was a political job in 1858 that injected that section in the state constitution requiring all state institutions to be located at Salem, Marion county.

To say that silver is the unit of value or that gold is, seems a dishonest claim. Rather is not the dollar the unit to make which requires 212 grains of standard silver or 25.8 standard gold.

In conversation with a well-to-do Tacoma citizen a few days ago, one of our Hillsboro politicians had emphasis put upon the importance of electing republican congressmen.

As the price of wool under the present Democratic tariff is from 20 to 75 per cent. higher than it was when the McKinley law was wiped off the statute book, let the G. O. P. organs explain—Jacksonville times.

Democratic papers talk of the rise in wages, and the lighting of fires in the furnaces of the nation's industries as if they were the result of a democratic achievement.

THE POLICY OF THE CHANGE.

"The policy of the change is vindicated."—Democratic organ. This is the opening bar of a song that appears in more than one paper, and the administration is making the most of it.

It was the murky cloud that obscured the industrial sky in 1893 that so depressed our country.

"I shall deny most emphatically that the great majority of people of this country are in debt, and shall insist that three-fourths of the American people are to day creditors and not debtors.

It was a political job in 1858 that injected that section in the state constitution requiring all state institutions to be located at Salem, Marion county.

Highest of all in Leavening Power.—Latest U. S. Gov't Report

ROYAL BAKING POWDER ABSOLUTELY PURE

Edock Pomeroy was sentenced to three years in the Washington pen for robbing the Lacamas post office and store last year.

Secretary Lamont, on his return to Washington, remarked that he did not talk politics during his western tour, and said he was not hunting ghosts.

And now the Missouri democratic silverites are to have a convention. Grover ought to stop fishing long enough to discipline some of the faithful.

The Grand Lodge of the A. O. U. W. is in session this week. Judge R. Crandall is in attendance as a representative of the Hillsboro lodge.

The free silver movement seems to be waning, falling into the "sere and yellow leaf" as it were.
