Our neighbor, the Argus, has moved from the Morgan building, on Second street, beyond the post-office, to the Corwin and Wooster block, upstairs. In the new quarters, the people of the Argus are much more comfortable than at the old place.

Taken up—A bay mare, about 5 years old, white stripe in face, white left hind leg and white right front leg, wore a halter and biting rope fastened about neck. If you insure in any of the companies you send your money out of the country, you pay from two to four times the cost of your insurance, you have no better protection than that afforded by the Oregon Fire Relief Association, which keeps the money at home and gives you insurance at actual cost. In this you enter into an agreement with your neighbors, that when one has a fire which the others will bear his share of the loss. Wilkes Bros., Hillsboro, Or.

Services will be held in the Congregational church, morning and evening, next Sabbath. The pastor, Dr. Evan P. Hughes, will preach in the morning from the text, 1 Thess. 5:21, taking for his theme, "Christianity Proved Good." In the evening the exercises will be of a popular character, special attention being paid to the musical portion of the service, and Mr. Hughes giving a short address on "Reflections From the Life of Charles George Gordon," or "Chinese Gordon." A cordial invitation is extended to all to attend one or both of these services.

Dr. Parker, at Greenville, was taken on surprise by his neighbors last Monday evening. He, as is his custom, was in his store Monday evening, but was lonesome as no one entered for a chat, as had been the custom. Only one lone-some caller, of whom the doctor enquired, "where are the boys? What is on to-night?" The interrogated did not know. Nine o'clock is closing time. He shut up and went home. When he got there he found the boys, and girls, too. The house was full from party to kitchen. Visiting till midnight brought refreshments, when the company separated and got home just in time to miss the rain storm that commenced early Tuesday morning.

Rev. J. M. McDonald, pastor of the M. E. church, will preach Sunday morning and evening. Subject for morning discussion is, "Will the Old Book Stand?" And the topic for the discourse in the evening is, "Who Made the Devil? Where Does He Live? Does He Ever Visit Hillsboro?" The revival meeting still continues with unabated interest, and will continue all next week. About 50 have united with the church up to date. The subject for the sermon this evening is "Blowmen, Football and the Saloon." Epworth League devotionals are held every evening at 6:15. The revival services will begin in the evening at 7 o'clock, instead of 7:30. All are very cordially invited to attend all of these services.

Mr. Anton Pfanner, at Forest Grove, on Monday last received a dispatch from Sonora, California, stating that his friend, Martin Manning, of this county, is dead. Mr. Manning started from his home about a fortnight ago to visit one of his old mining chums, who he hadn't met for thirty years, and who lives in Sonora county, California. Mr. Manning had reached his last full day's journey and stopped at the hotel in the town before going to the farm of his friend. Not appearing the next morning, the hotel people went to morning, the body was found dead. Cause of trouble was without doubt the cause of his sudden death. He was known to have had trouble with his heart before leaving Oregon. Mr. Pfanner at once went to California to bring the remains of his friend to Oregon for burial. It is understood that he will arrive home to-morrow, Saturday, and that the funeral will occur on Sunday, at the cemetery north of Greenville. Martin Manning was one of the substantial citizens of the county, and his death is an influence attained, but few. His absence will be greatly missed.

The Washington county Speed and Driving Association has been organized, with Mr. J. C. Hare for president. It is the purpose of the association to have annual meetings of horsemen at Hillsboro, or rather to make Hillsboro one of the points on the northwestern circuit. To that end the Hillsboro fair grounds will be improved so as to make our county a desirable meeting place. The track will be widened and graded on the curves, and a new grand stand built as well as a new fence. The association has in view a fall exhibition of farm products and farm stock. The speed contests, however, will be earlier. The association sent Messrs. W. Redmond and John Northrop as delegates to Portland on Tuesday last, to arrange with the managers of the northwestern circuit. The valley circuit starts at Central Point. Coming north it stops at Eugene City, Albany, Independence, Salem, Portland and ends at Hillsboro. The dates for the Hillsboro meeting are July 24, 31 and 4th. These were not obtained without a struggle, for the Portland people wanted those days. Messrs. Redmond and Northrop had odds against them, but they carried their point. Mr. Tongue has leased the track at the fair grounds to the association for a term of years, on such terms as will justify some substantial improvement. It is intended to make the July meeting the largest and most interesting event of the kind that has ever been held in the county. An adjourned meeting of the association will be held in Hillsboro on Saturday, January 18th, to settle a few details that were omitted at the first. All persons in the county interested in horse breeding and speeding are invited to attend this adjourned meeting.

The office club, having been entertained by the firemen, have adopted the following sentiment in recognition of the courtesies shown on that occasion: "The kind thoughtfulness and appreciation of our efforts, as shown by the firemen, by the quiet tendered to the members of the coffee club, and their husbands and friends, is highly gratifying to the ladies, showing that the small beginning which they have made to assist our firemen in their laudable efforts have been recognized and above their worth. Receive our thanks with the assurance that the impetus received from your interest in the club will encourage us to new effort."

Mr. John Corum, who lives a few miles north of town, was found wandering about in a semi-conscious condition, in the neighborhood of Glencoe, and brought home. Mr. Corum started out on Monday morning, on horseback, to collect for the sale of fruit trees, and when found it was evident that something was wrong. Dr. Tamsieie was called, and gave as his opinion that the aberration of mind was quite probably due to a fall from the horse. Later the horse was found with the saddle turned, which seems to confirm this opinion. Mr. Corum is a worthy citizen, and it is hoped that no serious injury to the brain has resulted.

Installing Officer Rufus Waggoner, on Saturday afternoon, January 4th, installed the officers of Gen. Ransom Post, No. 89, G. A. R., as follows: P. C., A. M. Collins; S. V. C., H. L. Locke; J. V. C., G. H. Hale; Adj., Rudolph Gramlich; O. M., Jas. McCulloch; Surg., J. H. Wilkins; Chap., O. C. Zook; O. D., Chas. Iowen; O. G., E. G. Tate; Q. M. S., A. W. Bowen; S. M., J. P. Hicks. Dr. F. A. Bailey was called to Beaverton one day this week to see Dr. Robinson, whose throat was troubling him. He found the patient suffering with an aggravated attack of tonsillitis. While the doctor had a sore throat, he did not have a symptom of diphtheria as has been reported in his neighborhood, and he is now far on the road to a complete recovery.

Phoenicia Temple, No. 10, and Phoenix Lodge, No. 34, K. of P., of Hillsboro, will publicly install their officers on Monday evening next. While the installation is said to be public, it is for Knights and their families, and invited guests. The public ceremony is used instead of the one followed in the lodge, which gives the name public installation.

Forest Grove has been anxious about a water supply. Bonds were voted, sold, and an experimental well dug. The earth's crust was pierced by the super. Well, last Wednesday the superintendent was rowing over the supposed location in a boat, hunting for the well with a fifteen-foot pole to see if he had struck water.

A small house in Forest Grove, owned by J. T. Hayney, was burned last Friday night. At the time of the fire no one was in the building, though it had been occupied by two students who were boarding there. The loss is \$200. No insurance.

J. I. Knight and wife returned from San Francisco by the ocean route, reaching home Tuesday morning. He had a pleasant visit at the bay, and returned better equipped than ever for fire insurance.

The contract for furnishing the lumber for the Forest Grove Light & Water plant has been let to Mr. O. Hyatt. It is understood that the price to be paid is \$6.35 per thousand feet delivered.

There will be a meeting of the ladies at the office of J. I. Knight, the 14th inst., at 7:30 p. m., to organize such society auxiliary to the G. A. R. as they may decide upon.

Mr. Zina Wood, with his assistants, has cleared Dairy creek of drift from the railroad bridge to the Tualatin. This has been done so as not to tempt the creek to overflow its banks and course down through the fields. The stiff current has a bad habit of washing farm land, which is not liked by the owners.

Monday, while playing at football, a son of Mr. Osmund sustained a green stick fracture of one of the bones of the leg. Dr. Tamsieie says that "it is an ill wind that blows nobody good." The young man will, no doubt, be fully recovered in a few weeks, and the worst to endure is to be obliged to walk with crutches.

Erasmus Savage died, at his home near Scholls, December 31st, aged 82 years. The deceased came to Oregon in 1853, and settled a donation land claim in this county, which he sold after perfecting his title to it. He soon bought another tract adjoining the one he owned at the time of his death. He leaves three sons and two daughters, numerous grand-children and several great-grandchildren. Erasmus Savage was a man of inflexible honesty, of a pure life, and universally respected by his neighbors. One of his daughters, Mrs. M. S. Dalley, is a resident of Hillsboro.
