DISTRICT.

the hills" and The Oregonian has a correspondence touching the congressional sited. "Tried uation in this district, which that paper characterizes as a thoughtful is the verdict contribution to the anti-Herman of millions. movement, and which has some interest to the readers of the INDEPEN-Liver Regu-DENT who are urging Mr. Tongue Retter and Kidney for nomination, wherefore it is reproand Kidney

To the Editor: I have just had called to my attention a communication signed "Commercial Traveler," in The Oregonian of the 14th inst. 1 do not care to take any issue with ord in congress. It is true, it is before the people. Mr. Hermann has now been in congress twelve years. That he has been in the main faithful to the best of his ability, I am not been as earnest in looking after the interests of the people in some other locality, might be seriously a question. I notice one of his supporters claims that, through his instrumentality, appropriations amounting to over \$420,000 have been procured for Coos bay, where it is currently reported Mr. Hermann's principal real estate interests are located; that durlamette valley are very much discial importance of the Willamette valley. However, without entering into any discussion with "Commercisi Traveler" upon that point, I de sire more particularly to refer to the argument that Mr. Hermann ought to be kept in congress, because he has already been there so long, and the insinuations that the other candi-

now, providing Mr. Hermann

tions in any campaign. No public chemical. dates are "without experience or speech of his has been either copied of fine pieces of zinc, so arranged qualification." He asks: "Do or quoted, or facts taken from it, by that when the rich waters flow over great tragedian. bankers turn down cashiers because of too long service?" "Do merchants In his own election, men like the deposits over the zinc, for which it discharge efficient clerks to give above-named have had to fight the has an affinity. The gold deposits place to others without experience or battles and win the victories, the itself in the form of fine dust on the qualification?" "Then, why not run fruits of which he has enjoyed for the plates of zinc. politics as competent, honorable busi-Hillsboro, Oregon. ness men run their own business?" they were naturally led to make a "Political reform will never be close study of public questions, not Unless you are a numismatist of wrought unless on this line." If this merely a sufficient study to inform unusual knowledge you would probargument proves anything, it would themselves how they ought to vote, ably not pay much attention to the carpenter, a brass-headed nail and a The thief managed to get into the prove that Mr. Hermann should be but in order to explain and convince pale gold coin which Postmasterprove that Mr. Hermann should be other people and win votes and the General Wilson frequently wears as you see that plank there? Drive a the back part of the house. He broke mainder of his life. If this argument support of the principles they a pin on the scarf which covers most nail into that spot.'
