Government should be unable to keep its 53-cent silver dollars upon a parity with gold? Ans. The moment that happened the silver dollar would decline to

fifty-three cents, its bullion value just as it has done in Mexico. Even in that case, would not the vast circulation of silver increase the price of everything and make busi-

ness more prosperous? Ans. It would not increase the value but would increse the price in proportion as silver would decrease Karl's Clover Root Tea is a sure tinue until the silver dollar would chism to teach us that we had made

> DeWitt's Sarsaparilla is prepared for cleansing the blood from impurites and disease. It does this and more. It builds up and strengthens constitutions impaired by disease. It recommends itself. W. E. Brock.

silver fools of ourselves.

Consumption can be cured by the cause of the evident sincerity with use of Shiloh's Cure. This great which it was related. Now Yam- Cough Cure is the only known rem-

NOT TRUE.

"Believing as we do that a return fourth as large as the other. It is of to the monetary system especially a yellowish color. It generally lies recognized in the Constitution and in a loop, and is frequently observed completely provided for by law from running in apparent stupeded condi- 1792 to 1873 affords the only ground of hope for the betterment of al the classes except those who live by the increment that money loaned gives to those who loan it, we appeal to all classes to rally to the support of the only candidates whose success in-

This extract from the bolting republicans' address telling silverites to support Bryan, contains three disfinct misrepresentations, either diments of mutual interest which gain open markets in return for our open markets in return for our open markets to others. Protection builds the statute books by the Republican ness depression and a panic ought to ness depression and a panic ought to such as the books talk about, of any silver circulated together from 1792 ity; hence that ratio must be deter. in the state, it is said. It is a little silver circulated together from 1792 different from some of the lock steps. to 1873; that "the condition of all The men stand as snugly together classes" was better from 1792 to 1873 as they could be packed if they were than it has been since. The Constiin line waiting for tickets. The man tution says that "no state shall * * * make anything but gold and silver coin a tender for payment of debts." but the Constitution nowhere says that Congress shall make nothing to 1834, gold was worth more as standard, except that from 1862 has as everybody knows, received In 1892 the manufacture of iron more dollars for his work than he also as everybody knows each dollar
