The Portland General Electric Company has let a contract to the Pacific Bridge Company to add seven sections for water wheels and dynamos to Station "B" at Oregon City, and the bridge company now have 50 men at work, which is soon to be increased to 80. These new wheels will develop 4,200-horse power, which is to be kept in reserve for emergencies.

There is some difficulty in Lincoln county over the matter of determining the salary of clerk and sheriff, or whether they are entitled to any salary or not. The new county court postponed considering the matter. The officers had an agreement with the old court, who retired on the first of July, to the effect that their respective salaries should equal the amount of their fees, says the Toledo Leader. Since then no further agreement has been made, and the clerk and sheriff naturally want to know where they are at."
