> permanent business prosperity until against us, would be especially dis- sent administration. words, the greenbacks, which are a menace to our national credit, are retired without any loss to the treasury and without an issue of bonds, by imposing the burden of their current redemption upon the banks in return for the privilege of issuing a certain amount of asset currency. The bill is directly in the interest of the general public, of the farmer, the laboring man, and the merchant as well as of the large importer and the great corporate interests. Yet the banks, under its provisions, have privileges which ought to overcome

any objection they may have to it. Every advocate of change in our currency laws and every citizen and J. P. and Constable District Officers business man who seeks safe and stable things in finance should immediately recognize the vital importance of complete sup; ort of this measure. It is a great step forward.

Within a few days this bill will probably be taken up by a caucus of the sound money representatives in the lower house for consideration and decision as to action. The value of each progressive step in the work we H. B. MILLER'S APPOINTMENTS. having the reform bill in hand has of the administration. labored without ceasing for nearly Glencoe, Thursday, June 2, 7:30 p. m.
