FARMINGTON'S CHRISTMAS

Three deaths at Farmington during Christmas week—Forest Grove heard from.

FARMINGTON.

Fall wheat is looking very well around here, so far the frost has not killed spring grain sown this fall.

The entertainment and tree given at the M. E. church, Christmas eve was a very successful one; the house was full and every one went away satisfied.

Christmas night Rev. C. A. Luce preached a very interesting sermon to a good audience. He announced to start a protracted meeting to begin on the evening of the 3rd of January.

Three homes in our neighborhood were made up by the loss of dear ones during Christmas. Uncle Naty Richardson is gone over to try the reality of his fond hope at last; we shall all miss him very much; he was a faithful communicant in the 1st Christian church, of which he was a member for 60 years.

Mr. G. S. Robinson won a gold watch from the Baitell Lumber Seed Co. for raising the largest improved Hubbard squash it weighed more than 33 pounds, there were several competitors, but Farmington won the prize.

What is Shiloh? A grand old remedy for Cough, Colds and Consumption used through the world for half a century, has cured innumerable cases of these diseases and relieved many in advanced stages.

Victor Emmel is going to Forest Grove to the academy.

FOREST GROVE.

Attorney H. T. Bagley, of Hillsboro, in company with D. W. Doran, visited this city last Friday.

Miss Fannie Dolstrum has returned home, after a visit of several weeks with friends in Portland.

Win. Pointer, of Hillsboro, was in our city last week.

Chancy West, of Greenville, was arrested upon a warrant issued out of Judge Dolstrum's court, charged with the crime of assault and battery committed upon the person of B. F. West, his nephew.

Mr. Frank Kane is able to be out again after several days illness.

Last Friday forenoon the fire alarm sounded and the report was rapidly circulated that the residence of Mr. John Bailey, in the southeast part of town, was on fire.

There is considerable adverse comment upon the action of the county court in borrowing \$30,000 and paying 6 per cent. therefor, as it is said this amount could have easily been secured at 5 per cent.

This is one direction in which the broadening and enlarging influence of the Endowment movement is perceptible. It is the spirit of true unity manifesting itself in actions and not in empty words merely.

The joint installation of Tualatin lodge, A. F. & A. M. and its auxiliary Tualatin chapter, No. 31, Order of the Eastern Star took place last Tuesday. After the ceremonies were concluded a banquet was served. The officers installed were:

M.; Miss Grace Poe, C.; Miss Minnie Willis, A. C.; Mrs. W. D. Hare, chaplain; Mrs. Mae Everitt, Adah, Mrs. H. V. Gates, Ruth; Miss Grace Edgley, Mrs. A. A. Aubrey, Martha; Mrs. Katie Wilcox, Electa; Mrs. F. A. Bailey, W.; L. L. Whitcomb, sentinal.

Last week J. C. Lamkin was comfortable by the love reading the news paragraphs in the daily when his eyes rested on the name J. D. Peer. From a casual glance his attention was riveted on the item. It was an account of the sudden death of a man of that name from Santa Barbara Cal. Mr. Lamkin remembered that he had an uncle in that county and that his name was J. D. Peer. He went to the telephone and called up Virgil Waters whom he requested to call on Mrs. Peer and ask her if she had a nephew formerly of Arkansas but now of Oregon named Jas. Lamkin in 'Yes, I do not know where he lives, I have not seen him for over 30 years.' Mr. Waters reported the result of his investigation, whereupon the aunt was invited to take the next train for Hillsboro which she did, and she now is with the only relatives she found friends in Corvallis more attentive for her comfort than she supposed could be possible even in a hotel.

Peer was a mason and an A. O. U. W. and when he was stricken with an attack of pneumonia he had all the care that friends could bestow notwithstanding he had been in Corvallis but a day.

Discovered by a woman.

Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its clutch upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose that she slept all night, and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz. Thus writes W. C. Hannick & Co. of Shelby, N. C. Trial bottles free at "The Delta Drug Store. Regular size 50cts and 1.00. Every bottle guaranteed.

How is your wife has she lost her beauty? If so, Constipation, Indigestion, Sick Headache are the principal causes. Karl's Clover Root Tea has cured these ills for half a century. Price 25 cts, and 50 cts. Money refunded if results are not satisfactory.

Muddy complexions, Nauseating breath come from chronic constipation. Karl's Clover Root Tea is an absolute cure and has been sold for fifty years on an absolute guarantee. Price 25 cts, and 50 cts.

Do you know consumption is preventable? Science has proven that, and also that neglect is suicidal. The worst cold or cough can be cured with Shiloh's Cough and Consumption Cure. Sold on positive guarantee for over fifty years.

THE DAWNING OF THE YEAR.

When the snowflakes of December robe the earth in spotless white, And the stars in dancing beauty decorate the wintry elms, The old year vanishes like a ghost into the past, To the music of the sleighbells and the drags of the blast, We breathe for kindness and we sigh above the dead.

Across the heart graves it has left most summer which is parting friend, But we turn with hope and gladness as we brush away a tear, To pleasant scenes of the old New Year.

When it dawns in all its glory we shall put the past away, And, trusting in its coming, greet its bright initial day.

The sun will burst in grandeur on the era that it brings, And love unknown today will touch the heart's melodious strings.

Oh, when it breaks upon the world may every mist depart, And may its bells ring joyously in every human heart.

For everywhere on land and sea the millions wait to cheer The bells which in splendor wave above the glad New Year.

I can almost see its footsteps in the soft and rosy snow, And hear its wondrous anthems as its bells swing to and fro.

For Father Time is standing 'twixt the new year and the old, He rings the golden chimes of hope, for one the chimes of gold.

Aye, in the crisp, clear night he stands, A smile upon his face, And wishes joy, the while he rings, for all the human race.

For in the sweet tones of the bells what heart can never hear The promised peace that crown the dawning of the Year?
