exysm of madness he charged them all with deceiving him; swore that she had not died, but had been lured away, that they were all a party to it and that she had been murdered; swore that 'a life for a life' should be the only object of his existence and left the village with madness in his eye, foaming for revenge. That is the whole story. Your mother sleeps in her grave; your father has been murdered, but by no gang of assassins, for none existed. "No gang of assassies," Astray cried,

rising to his feet, and struggling with rage; "no gang of assassins, when they drove a man to madness for the satisfaction of their own humor! My biterest curse be on each and every one who had a hand in the torture of my father and blight what yet remains of his life-for each and every one who took a part in that night's devilment shared in the murder! They robbed him of his reason and left him an easy prey to the one who took his life." 'The murderer is yet to be discovered," Darrent answered quietly. "We

and we must begin at the beginning again, and time presses.' What do you mean by time presses? The law dare not hang me in the face of the statements in that diary. I shall be released in a few days, and then together we will seek the murderer and never rest until he is brought to jus-

have found nothing from this diary,

"We will hope for the best," was all that Herbert Darrent could say as he shook Astray's hand and left him.

CHAPTER X.

RERECRET DARRENT PROPOSES A TOASE. Herbert Darrent had left Astray moyed up with hope. Together they had gone page by page through old Marsden's diary and together had come to the conclusion that here at last was something like the truth.

Astray was exultant in what he called the full establishment of his innocence, but Darront's onthusiasm was a little less pronounced. He recognized that, the diary that was true, there was also persuade the governor where the truth | been caught in his own trap. chronicled as a fact in his diary that he | Marsden. he had not been away from Norcombe. but you should not have given way to Ills., it was equally possible that the be regarded as the outcome of a dream, and Darrent was bound to own this possibility to himself, although he now fellow thoroughly believed in the innocence of

He felt that Astray was innocent and vet If Astray had not committed ger, perhaps a tramp, after all?

to start to his feet in surprise.
"Astra is something toward 'Astray.' It would be hard, very hard, to make the cool headed governor believe that a and so it is toward 'a stranger,' throes of death written, "I am dying, murdered by a stranger.

Perhaps that construction placed on murderer! the paper, together with the diary, Turning again to the penciled copy might have some effect upon the governor. Anyhow he could but try. His carefully. Three of the hobnails were demogratic party can do is to hope off orts had condemned Astray Marsden, missing from the sole just behind the that an is-ne will turn up before the and now his duty was to obtain the re- toe piece. He shook his head. No; it lease of Astray, and then together they was not a farmer's boot, after all, but would search until they brought the a strong, well made— He jumped up and pulled the bell.

In the midst of these reflections, de possi'Send a messenger to the police the face of circumstances.—Globe bious and anxious as to what the ultimate result would be, Darrent was in- cried as Ms ring was answered. terrupted as he sat by the fire in his own room at the Palace hotel at Nor- to 7. Dobson would be there in ten combe by a rapping at the door. Thompson entered.

"Well, Thompson," he exclaimed
