Whether the Oregonian was publishing paragraphs in opposition to free silver before that time or not, is not now remembered. Mr. Tongue has been in the thick of the fight ever since and his vote and voice in congress has always been for sound money. Headache

Sick

to many women; of neglected families and unhappy homes. Pleasure is banished from the life that is subject to these attacks, and yet it is possible to be free forever from such trying

ordeals. Dr. Williams' Pink Pills for Pale People, by enriching the blood, toning up the nerves, and strengthening the stomach, make sick headache impossible, and restore nervous energy to the despondent sufferer. The full name:

Dr.Williams' Pink Pills for Pale People

is on every package of the genuine.

Mrs. Fannie B. Stoffle, of Martinsville, Mo., says: "I used to have terrible sick headaches, which I had as far back as I can remember. In recent years they were getting worse. A few years ago I took freatment of a specialist in Kanaas City, but it only relieved me for a while. When I came here two years ago my health was inherable. My husband, who had great faith in Dr. Williams: Pink Pilis for Pale People, insisted that I commence using them. After taking a few doses I could see an improvement, and my headache spells were not so severe. I used four boxes, and since that time I have not had any of those attacks, and I never felt so well in my life."

—From the Republican, Beldany, Mo.

No discovery of modern times has proved such a blessing to man-kind as Dr. Williams' Pink Pills for Pale People. Acting directly on the blood and nerves, invigorating the body, regulating the functions, they restore the strength and health in the exhausted patient when every effort of the physician proves unavailing.

These pills are sold in boxes at 20 cents a box, or six boxes for \$2.50, and may be had of all druggists, or direct by mail from Dr. Williams Medicine Co., Schopectady, N.Y.
