A TALE OF LIFE IN THE BOER REPUBLIC.

"The other clerks gave me the name of 'Old Salvation,' but there was one person I liked very much. He was clerk in another store. He often went past the door. He seemed to me not like others. His face was bright and fresh, like a little child's. When he came to the shop, I feit I liked him. One day I saw a book in his pocket, and that made me feel near him. 1 asked him if he was fond of reading, and he said yes, when there was nothing else to do. The next day he came to me and asked me if I did not feel lonely. He never saw me going out with the other fellows. He would come and see me that evening, he said. 'You've got a rummy place here,' he

"You see, there was nothing in it but packing cases for farniture, and it was rather empty. While I was putting the food on the box he looked at my books. He read their names out aloud-'Eleentary Physiology, 'First Principles,' "Golly!" he said. "I've got a lot of dry stuff like that at home I got for

Sunday school prizes, but I only keep them to light my pipe with now. They come in handy for that.' Then he ask ed me if I had ever read a book called the 'Black Eyed Creole.' 'That is the style for me,' he said-'there where the fellow takes the nigger girl by the arm and the other fellow cuts off. That's "But what he said after that I don't

remember, only it made me feel as if I were baving a bad dream, and wanted to be far away. "After he was gone my little room got back to its old look. I loved it so.

I was so glad to get into it at night, and it seemed to be reproaching me for bringing him there. The next day he took the gray mare. On Thursday he did not bring her back, and on Friday I found the saddle and bridle standing at my door.

bones kicked out six miles from this. and went to sleep. When I woke, it I'll send you a couple of shillings to- was drizzling still, so I drank some morrow, though the old hide wasn't more. I was stiff and cold, and my worth it. Good morning."

ride her up lill, and now this fellow had murdered her. I asked him where and it seemed to be going away from mates; or of the Spanish prisons in made a sincere convert. It tramples he had killed her, and I shook him till me. When I woke up, I was lying by a Cuba, the last home of so many instead of bearing up, and is, thereof bones, whose master sleeps in a

What Shall We do to Improce Our Present System

AN ARGUMENT OF FORCE

Oration Delivered February, 9th in Marsh Hall, Forest Grave, by F. L. North, a Contestant for the Tibbal's Prize

The history of crime is coexistent with the story of the human family. From that day when our first parents forfeited the place for which they the garden, misfortunes have follow in peace and safty but must be harassed by many troubles, whether tossed upon the deep or toiling upon some seashore, whether in the broad light of day or under the shadow of dark-

me. No one but I will ever know how There sprung up a class of men in the depths of whose black hearts lurked every vice, simply parasites, place to lie down in, I had all I wantwho, because they found social and rainy season came. For 18 hours out moral law a burden, chose to live by of the 24 we worked in the wet. The preying upon society. This criminal eration of our race. All ranks of we never went far in a day. My massociety in every age and country when he had done he always offered have soffered from its depredations. Nations have tried in many and

came, he had offered it me, and I had always refused, but now I drank as They have in the past chosen physimy oxen did when I gave them waterwithout thinking. At last I bought cal orture as the method of retribul brandy for myself whenever we passed tion. No pen can express the cruelties practiced upon criminals during "One Sunday we 'outspanned' on the banks of a swollen river to wait for its the early ages. Men were made pregoing down. It was drizzling still, so maturely old or hastened to speedy to rest upon our people. Criminals post duty. all the dung was wet, so there was no of prisoners have been thrust into form, and those who persist in crime shop and called out: 'Hope you got fire to cook food. My little flask was sombre towers and dismal dungeons your saddle, Farber. Your bag of filled with brandy, and I drank some to languish alone and forgotten. It is a sad page of history which tells of eased with leprosy or smallpox. Mamertine dungeon, under the Capmaster, who lay by me, offered me his itoline, where Jugurtha perished; or the Dark Ages. The polestar of our to Jefferson. flask, because mine was empty. I drank of the Bastile, through whose masgot him by his throat. My father was some, and then I thought I would go so gentle with her. He never would and see if the river was going 20-first world reach the wretched in world could reach the wretched in-
