LETS HAVE NO JOCKYING.

The Canadian government is not satisfied with the Hay-Pauncefote treaty that is to be submitted to the Senate, this winter. It asserts that England concedes everything and the United States nothing. What would satisfy Canada is for us to cede a sea port in Alaska to the Dominion, Skagwa, for instance. If we cannot get the abrogation of the Clayton-Bulwer treaty without ceding to England territory, then let that treaty never be nullified.

There is a vast difference between the rights England possesses in Nicaragua and our fee-simple title to Alaska. In truth, England has no sovereignty on the isthmus to barter, and England can give us no title to land there. What right of occupancy we may aquire, will come from the government of Nicaragua. The English government doubtless recognizes that fact, hence, does not ask for territory in Alaska and Canada's demand will probably be denied by the home government as it certainly will be, by the United States.

The Scientific American reports that the English chancelor of exchequer is proposing to levy an import duty on diamonds. It is said that one South African firm alone, sells in England, $20,000,000 worth. A duty of 10 per cent. is suggested which, if imposed, would net an income to the government of $2,000,000. This is an imitation of the republican idea of tariff legislation in the United States where a duty is laid for revenue purposes on luxuries used by the wealthy. Commenting on the plan, English papers fear that the diamond cutters will not pay the duty but will move their est blishments to the continent where the rough stones are admitted free.

The news reports of this week, tell of a new Steel Company that is organizing in Pennsylvania with a capital of two billion dollars. Frick, the late Carnigie manager, is to be president. The new concera is to be a competitor with the United States Steel Company.

Miss Stone, the Turkish missionary, captured by banditti, has not been set at liberty yet. There are two reports current, one to the effect that the negotiations for her release are progressing satisfactorily, an other that she is dead.

A WORTHY SUCCESSOR.

Something New Under The Sun.

All Doctors have tried to cure catarrh by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucuous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of catarrh, has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures catarrh, by removing the cause, stopping the discharges and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "Snuffles, the guaranteed catarrh cure" and is sold at the extremely low price of one dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"Snuffles" is the only perfect catarrh cure ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve hay fever or cold in the head.

Catarrh when neglected often leads to consumption—"Snuffles" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure catarrh in any form or stage if used according to the directions which accompany each package. Don't delay but sent for it at once and write full particulars as to your condition and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "Snuffles" the guaranteed catarrh cure."

Sent prepaid to any address in the United States or Canada on receipt of one dollar. Address Dept. E 750, Edwin B. Giles & Company, 2330 and 2332 Market Street, Philadelphia.

Don't forget that Schulmerich Bros., carry a complete line of hardware.

George Morrow & Co., Commission merchants, 303 California St., San Francisco, under date, October 26, report that ocean freights at the Bay have declined from 40 shillings ($9.75) to 31½ ($7.65) with a possibility that a lower point may be touched. This saving on freight ought to be added to the price of wheat but it is not, for in San Francisco there is a "Big Four" that is a regular "bear," a "grizzly bear," with paws on the wheat market. California shipping wheat is quoted at $.58½ to $.60, best Oregon $61½. If that 6 cents saved on freight could be added to the quotation, wheat would be netting the farmer something to the good. But the trust holds the gain, seeing it is void of a conscience. About the same conditions in the wheat market, prevail in Portland, wheat being quoted at 55 cents to 56 cents. Freights are higher, standing at 35 shillins ($8.50). The trust controls the Portland market in the same way it does at San Francisco and the much advertised Columbia is responsible for the extra shillings on freight.

Oregon contributed 130 tons of oats to the California market at 38 to 40 cents, choice, going a few cents higher, but not many oats get to California.

No Oregon hay is going to California yet.

The Children's Friend.

You'll have a cold this winter. Maybe you have one now. Your children will suffer too. For coughs, croup, bronchitis, grip and other winter complaints One Minute Cough Cure never fails. Acts promptly. It is very pleasant to the taste and perfectly harmless. C. B. George, Winchester, Ky., writes, "Our little girl was attacked with croup late one night and was so hoarse she could hardly speak. We gave her a few doses of One Minute Cough Cure. It relceived her immediately and she went to sleep. When she awoke next morning she had no signs of hoarseness or croup."

A Physician Testifies.

"I have taken Kodol Dyspepsia Cure and have never used anything in my life that did me the good that did," says County Physician Geo. W. Scroggs of Hall County, Ga. "Being a physician, I have prescribed it and founn it to give the best results." If the food you eat remains undigested in your stomach it decays there and poisons the system. You can prevent this by dieting but that means starvation. Kodol Dyspepsia Cure digests what you eat. You need suffer from neither dyspepsia nor starvation. The worst cases quickly cured. Never fails. Delta drug store.

A. Gradon, representing or claiming to represent eastern capital, was in Hillsboro this week, carrying a petition to be signed by property owners asking the County Court to grant a franchise to him or to his company for an electric car line along the county road from the boundary line between Washington and Multnomah Counties through Cedar Mills and to Hillsboro. It is understood that property owners along the road, have been almost unanimous in signing the petition. The petition will be presented to the court at its next session which occurs next weeks. If this line is built through the territory suggested, it will be a revenue producer since it is thought a rich country not reached by other public transportation routes. But the INDEPENDENT fears that the parties now handling the proposition want a franchise to sell. However Mr. Gradon stated to one of our citizens that if he can get the right of way, his company is prepared to commence work at once. The money has been arranged for on very favorable terms.

A. C. Phillips, once a resident of this County, but for the past eight years an inhabitant of Alaska, returned last week. Since he went north he has seen some cold times, but those times are past and he plans better things for the future.

Modern Surgery Surpassed.

"While suffering from a bad case of piles I consulted a physician who advised me to try a box of DeWitt's Witch Hazel Salve," says G. F. Carter, Atlanta, Ga. "I procured a box and was entirely cured. DeWitt's Witch Hazel Salve is a splendid cure for piles, giving relief instantly, and I heartily recommend it to all sufferers." Surgery is unnecessary to cure piles.
