Child Worth Millions.  
 "My child is worth millions to me," says Mrs. Mary Birri, of Har-risburg, Pa., "yet I would have lost her by croup had I not purchased a bottle of One Minute Cough Cure." One Minute Cough Cure is a sure cure for coughs, croup, and throat and lung troubles. An absolutely safe cough cure which acts immediately. The youngest child can take it with entire safety. The little ones like the taste and remember how often it helped them. Every family should have a bottle of One Minute Cough Cure handy. At this season especially it may be needed suddenly. Delta Drug Store.

A Profitable Investment.  
 "I was troubled for about seven years with my stomach and in bed half my time," says E. Demick, Somerville, Ind. "I spent about \$1,000 and never could get anything to help me until I tried Kodol Dys-pepsia cura. I have taken a few bottles and am entirely well." You don't live by what you eat, but by what you digest and assimilate. If your stomach doesn't digest your food you are really starving. Kodol Dyspepsia Cure does the stomach's work by digesting the food. You don't have to diet. Eat all want. Kodol Dys-pepsia Cure cures all stomach troubles. Delta Drug Store.

### WORTHY SUCCESSOR.

Something New Under The Sun.

All Doctors have tried to cure catarrh by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same mem-branes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of catarrh, has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures catarrh, by removing the cause, stopping the discharges and curing all inflammation. It is the only remedy known to science that actually reaches the af-flicted parts. This wonderful remedy is known as "Snuffles," the guaranteed catarrh cure, and is sold at the extremely low price of one dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its per-fect use.

"Snuffles" is the only perfect catarrh cure ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve hay fever or cold in the head.

Catarrh when neglected often leads to consumption—"Snuffles" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guar-anteed to cure catarrh in any form or stage if used according to the di-rections which accompany each package. Don't delay but send for it at once and write full particulars as to your condition and you will re-ceive special advice from the discov-erer of this wonderful remedy regard-ing your case without cost to you beyond the regular price of "Snuffles," the "guaranteed catarrh cure."

Sent prepaid to any address in the United States or Canada on receipt of one dollar. Address Dept. E 750, Edwin B. Giles & Company, 2330 and 2332 Market street, Phila-delphia.

Thousands Sent Into Exile.

Every year a large number of poor sufferers whose lungs are sore and racked with coughs are urged to go to another climate. But this is cost-ly and not always sure. Don't be an exile when Dr. King's New Discovery for consumption will cure you at home. It's the most infallible medi-cine for coughs, colds and all throat and lung diseases on earth. The first dose brings relief. Astounding cures result from persistent use. Trial bottles free at Delta Drug Store. Price 50c and \$1.

Rabbit drives have been popular in Eastern Oregon, but there are evidences that the human instinct somewhat developed in every per-son is revolting at the cruelties at- tending the average hunt. At a drive recently in Umatilla county, 800 people took part and 6000 rab-bits are said to have been slain. The cruelties attending this event are described as being very degrading.

Children Especially Liable.

Burns, bruises and cuts are ex-tremely painful and if neglected of-ten result in blood poisoning. Chil-dren are especially liable to such mishaps because not so careful. As a remedy DeWitt's Witch Hazel Salve is unequalled. Draws out the fire, stops the pain, soon heals the wound. Beware of counterfeits. Sure cure for piles. "DeWitt's Witch Hazel Salve cured my baby of eczema after two physicians gave her up" writes James Mock, N. Webster, Ind. "The sores were so bad she soiled from two to five dresses each day." Delta Drug Store.

Don't Live Together.

Constipation and health never go together. DeWitt's Little Early Risers promote early action of the bowels without distress. "I have been troubled with constiveness nine years," says J. O. Greene, Depauw, Ind. "I have tried many remedies but Little Early Risers give best results." Delta Drug Store.

It Cures the Globe.

The fame of Bucklen's Arnica Salve, as the best in the world, ex-tends around the earth. It's the one perfect healer of cuts, corns, bruises, sores, scalds, boils, ulcers, felons, aches, pains and all skin eruptions. Only infallible pile cure. 25c a box at Delta Drug Store.

### NEWS OF THE STATE.

The Carpenters' Union of Portland has declared that the minimum price of a day's work shall be \$3.

The Badger Mining Company, of Susanville, expects to install a re-duction plant on its property in the near future. The plant will involve an outlay of \$100,000.

At a meeting of the common coun-cil of Coquille City, last week, it was decided to close the public schools and churches of that city for an un-specified time, on account of the number of cases of smallpox.

The cable for the bucket carrier to be used by the Uclea Sam Mining & Milling Company of Blue River has been received at Eugene, and will be taken to the mill at once. The buckets are being made at Eugene.

Scott King, of Corvallis, and his dog located a skunk in a hollow tree. He got the usual forked stick and ran it up the tree and began to twist. In due time the skunk was hauled out. Then another trial was made and another skunk was brought down. Encouraged by his success, Scott kept up the process until 10 skunks were dug out.

The county court of Coos county has appropriated \$1000 to be expend-ed on the Alleghany-Elkton wagon road, and this makes the building of the road an assured fact. With the \$800 raised by subscription, \$1800 is now available, and with this quite a start can be made. The Douglas county court has accepted the survey of that part of the road which lies in Douglas county, and has declared it a county road.

A. D. Hopper was in Seio last week looking after the business of the flax mill. He expressed him-self as well pleased with the work-ings of the mill and with the out-look. The market for high-grade fiber is good. The mill is running full time. The company will endeavor to rent ground and raise its own flax the coming season, or at least that part of it that is not contracted for. They have straw suf-ficient on hand at present to keep them running until April.

The Cascade Coal Mining Com-pany is preparing for active opera-tions to begin Monday. Machinery has been purchased in Eugene and Portland and is now being shipped to Creswell, from which place it will be removed to the company's mine. The power will be steam, and the boiler is a Eugene product. The engine and pump will come from Portland. A shaft will be sunk im-mediately to tap the vein of coal. It will probably be 30 days before the vein will be touched.

Cottage Grove, in Lane county, is a thrifty town of about the same size as Hillsboro, but some of the people are willing to permit their neighbors to bear all the burdens of government. In pursuance of their plan, the "good citizens" stayed at home the day of the school meeting, but the "Mossbacks" went and de-fested the tax levy. As a result the public school was closed, three hun-dred children run the streets and the town's eye is black. In truth, are they not the true "Mossbacks" who stayed at home and allowed the others to job them?

W. A. Wooliever reports that while crossing in over the Coquille bar last week the steamer Mandalay struck and swung around broadside to the sea. One of the small steam pipes was broken by the concussion caused by heavy seas breaking against her side, and the steamrooms and cabins were filled with steam. It was found by sounding that there was less than four feet of water where the vessel struck. Although in a dangerous position, the steamer was, by the good management of Captain Reed, worked off the shoal, and reached Bandon without further trouble.

The directors of the Coquille pub-lic school attempted to have the teachers of that city sign an agree-ment releasing the school board from any obligations to pay the teachers their salaries during the period that the schools will be closed on account of smallpox in Coquille. This move was, however, blocked by the teach-ers, who refused to sign any such ar-ticles unless the school board would in turn release them from their con-tracts to teach the remainder of the present school term. The result was that the teachers carried their point and are now enjoying a vacation, and at the same time drawing their salaries.
