HON. THOS. H. TONGUE

Convention Held at Rosburg April 1st

NOMINATED BY ACCLAMATION

Reveries of Four Conventions and Mr. Tongue's Majority in Former Contest.

For the fourth time Thos. Tongue, of this county, has been nominated by the republican convention of the First District, for representative in Congress.

In 1896, after a close contest, he was nominated by the convention in Albany where there were a number of candidates.

His election followed in June but his plurality was less than 100 votes. He made a personal canvass that year, speaking once or more in each county in his district.

That fall, at the presidential election, the district was carried for Bryan though the State went for McKinley.

Mr. Tongue again made speeches in the fall canvass and was considered the most effective vote getter who took the stump.

In 1898, the convention was held in Eugene and Mr. Tongue was nominated without opposition though the politicians, both in Oregon and in Washington, had no hope of his election.

He had the Bryan plurality of more than 1000 votes to overcome before he could think of getting a majority for himself.

Very many of the shrewd workers thought the thing could not be done. It was probably this very uncertainty that made it easy to get the nomination.

Mr. Tongue was in Washington and he stayed there faithfully, performing the duties of his office. His friends here, while perhaps, not having the same confidence that success would come, went to work.

When the votes were counted, he

COUNTY CONVENTION

Union Party Held Convention Yesterday

NOMINATE FULL COUNTY TICKET

Nominations for County Officers Went Begging

The County Convention of the Union party, assembled in the court house yesterday forenoon.

The committees on credentials and order of business reported. The reports were adopted.

In electing ten delegates to the State Convention, it was agreed that on the first ballot, the five having the highest number of votes should be delegates to the State Convention.

The four receiving the highest vote were A. S. Briggs, Chas. Miller, J. H. Sewell and W. H. Wehrung.

Three others tied, but on motion they were selected by acclamation.

They were J. Ward, J. M. Wall and E. Bernard.

Mr. Bernard asked to be left off. His request was granted.

The next ballot selected J. L. Smith, B. G. Leedy, J. J. Wirtz and T. S. Weathered.

It is noticeable that whereas the democrats, two years ago, held a separate convention to elect delegates to the Democratic State Convention and then joined the Union Convention to nominate county officers,

this year no democratic convention was held but the work of sending delegates to the democratic state convention was taken up by the Union party.

Many names were put before the convention for representatives. One delegate proffered his Hon O E Edson, conditioned that he would satisfactorily explain his votes for U S Senator in the last legislature.

Mr Edson took the floor to explain but was called down—some say howled down.

On the second ballot Mr Edson withdrew his name in the interest of harmony.

On the first ballot, Mr S Weckert received 90 votes within a few of a nomination.

The rules were suspended and Mr Weckert was nominated by acclamation.

On the third ballot Wm Schultmeier was nominated. He was called before the bar for a speech.

In a few remarks, he outlined his platform repeal of scalp bounty law, no appropriation for Normal schools etc.

Walter Bernard withdrew his name for the reason that he had been informed that if nominated he would not be permitted to go.

The next ballot, H Bernard was nominated by a very large majority almost unanimously.

Judge Rood was renominated for Co Judge by acclamation.

B G Leedy was nominated commissioner by 121 votes against 42 cast for B K Denny.

John Sewell was renominated sheriff by acclamation.

Geo A Morgan was renominated clerk by acclamation.

Ralph Wann was renominated recorder by 148 votes against 38 for C A Peterson.

C A Peterson was nominated assessor by acclamation.

E H Parker was nominated on 1st ballot for treasurer.

The matter of nominating a surveyor was referred to the central committee.

Dr Via nominated coroner by acclamation.
