A Newberg, Or., dispatch of October 30 says that on their departure from their home after the foot-ball game Saturday evening the Pacific University boys helped themselves to bedstead fixtures, electric light globes and such other appropriate souvenirs from the Hotel Purdy, where they were entertained.

Indignation and deep resentment is expressed here by the students, and particularly by the members of the foot-ball squad who recently went to Newberg to play a game with the team of Pacific college, over the report brought here that they carried away surreptitiously part of the room fixtures of a Newberg hotel at which they were entertained while in the Quaker City.

The alleged depredations committed by the Forest Grove students and also that warrants for their arrest would be issued unless the pilfered property was returned by Tuesday with an additional \$10 to cover all losses.

It appears that the bedpost ornaments and door knobs were hidden in a drawer of the commode and that the electric light fixtures had been concealed somewhere else. No articles, however, were taken from the hotel.
