G. W. MARSH,

CANDIDATE FOR CO. JUDGE of Washington County, on the Republican Ticket.

W. W. Marsh, a native son of Washington county, and a candidate for the office of County Judge of this county, subject to the republican primary election to be held April 20, was born in Centerville in 1858, and has grown up from boyhood in this vicinity. He is a son of John and Rebecca Marsh, pioneers of 1852, and has been identified with Washington county for almost half a century, has watched its growth, worked for its best interests, and has an undying faith in its future, and is familiar with its needs. He was a member of the Oregon legislature in 1896, the special session of 1898 and the regular session of 1900; has been school director in his district for twelve years, secured his education in the public schools of this county, and asks for election to the important office of Judge solely upon his qualifications as a man fully competent to perform its duties, with credit to himself and with justice to all. Mr. Marsh's occupation is a farmer and dairyman and lives on his farm at Centerville, where he was married in 1878 to Miss Dora Lyon, of the same place. They have six children living. He was delegate

JONATHAN BOURNE, JR.,

Republican Candidate for United States Senator. Champion of Statement Number One.

Jonathan Bourne, Jr., candidate before the Republican primaries for the nomination of United States Senator in Congress, for the long term commencing March 4, 1907, was born in New Bedford, Mass., on February 23, 1855; was a member of the class of 1877 at Harvard University; came to Portland May 16, 1878; was a Republican member of the Oregon Legislature in the session of 1885 and the extra session of 1886; was one of Oregon's delegates to the Republican National Committee from 1888 to 1892, and a delegate to the Republican National Convention of 1902; and was elected as a Mitchell Republican to the Oregon Legislature in 1896.

Mr. Bourne has been more prominently identified with the development of the mineral resources of Oregon than any other man in the state, having expended in the last twenty years over \$1,000,000 of his own money in the acquisition and development of Oregon mines.

While Mr. Bourne has had his residence and main office at Portland since 1878, he has had another office at New Bedford, Mass., and has carried on the business of his father's estate since 1889, which makes him familiar with many of the large interests and leading men in the East. These qualifications, in conjunction with his tremendous energy, originality, executive ability and experience in business and political affairs pre-eminently qualify him for making an able and influential Senator for the State of Oregon.

Mr. Bourne has always favored extending the direct power of the people over their government as far as possible. He was one of the leading spirits in the Initiative and Referendum movement from 1896 until it was approved by the voters at the June election in 1902. In 1904 he was a member of the executive committee of the Direct Primary Nominations League, and holds the same position with the People's Power League at this time. In all these movements he has been one of the few to guarantee the necessary expenses of preparing and proposing their measures to the people.

He says that the choice of United States Senator should be by direct vote of the people, and that the Legislature should be compelled to elect the man the people select. To accomplish this result, he is championing Statement No. 1 of the primary election law as the only method by which public opinion may be crystallized and made effective upon the Legislature.

In his petition he says:

"If I am nominated and elected I will, during my term of office favor: Republican Politics. Amending National Constitution for People's Election of United States Senators. Publicity Political Campaign Expenses. National Control of Corporations in Interstate Commerce. Rigid Exclusion of Asiatic Coolie Labor; Good Wages Make Good Citizens. Legal Limitation Labor Hours for Safety on Railroads. Parcel Post, Including Rural Delivery. Pure Food Laws. Liberal Appropriations for Panama Canal, Coast Defenses, River and Harbor Improvements, Including Columbia, Willamette Rivers, Coos, Yaquina and Other Oregon Harbors, Cello, Government Canal at Oregon City. Fair Share of Irrigation Fund for Oregon. Loyal Support for Successful Candidates. Rigid Enforcement Statement One. Roosevelt for Second Elective Term. I desire that the following statement be printed after my name on the nominating ballot: I will support President Roosevelt's determination that Justice Be Done All Men."

to the first congressional convention that nominated the late Hon. Thos. H. Tongue, at which 34 ballots were cast to nominate; has been a delegate to about every county convention for the past ten or twelve years and was chairman of the last republican county convention. He has always voted the straight republican ticket, and during the presidential campaign of 1904 stamped the county in the interests of the republican candidates, and is looked upon as a fluent and forceful speaker. He was also a speaker in the campaign of two years ago.

Believe that the question of good roads, without burdening expense to taxpayers, is the most important matter before the people, and if nominated and elected I will do all in my power to better the condition of the county roads and bridges.

I believe in thorough and systematic drainage of all public roads.

Whenever practicable, will replace worn-out bridges with earth fills, with the aim in time cutting the great annual expense of repairing and rebuilding the many bridges in the county. Will endeavor to systematize the method of doing road work so that what is done will be in the nature of permanent improvement so far as possible.

Will favor as liberal appropriations for road building as possible, without over-burdening the taxpayers. Will endeavor so to supervise the expenditure of county funds that the taxpayers and traveling public will receive full benefit for every dollar expended on the roads.

Mr. Marsh wants printed on the official ballot after his name: "I favor a progressive road system and a square deal for every part of the county."

FOR COUNTY SURVEYOR.
I wish to announce to the voters of Washington county that I am a candidate for the office of County Surveyor, subject to the endorsement of the Republican primary election, April 20. If nominated and elected I shall endeavor to always do my duty faithfully and to the satisfaction of all. A. A. MORRILL.

FOR REPRESENTATIVE.
I have served one term in the Legislature as Representative from Washington County, and hereby ask for re-nomination on the republican ticket. I tried faithfully to do my duty as I saw it, and feel that the experience gained will enable me to do far better work another time. The honor of a re-election will be greatly appreciated. WILBUR K. NEWELL.

FOR COUNTY SURVEYOR.
I hereby announce myself as a candidate for County Surveyor on the Republican ticket, subject to the endorsement of the primary election, to be held April 20, and if elected will do all in my power with the means at hand to make the roads of Washington Co. as good as possible. Have lived in Washington county for 19 years, and have been civil engineer for 25 years. Know the county thoroughly. EUGENE SCHILLER.
