turn down a faithful, loyal Republican worker like Walter Tooze, who represents the producers, what encouragement do they hold out to the people that they are sincere in resistance to the trusts?

**THE RING AGAINST TOOZE.**  
In politics people ought to look around and see in what kind of company they find themselves.

For instance, Candidate Walter Tooze, of Woodburn, is not supported by a single one of the old school land ring.

If you want a congressman who is free from their domination, then support Tooze at the primary for congress.

For instance, not a single one of the old Salem political ring is supporting Tooze for congress.

If you want a congressman who is not run game for that gang, who has this county in disgrace, support Tooze for congress.

Show us a Marion county machine politician who has been indicted for land frauds, and we will show you a man fighting Tooze.

They want a man who is easy and who will make ring appointments, and do machine dictation.

The people who want a new deal and a clean deal should nominate the man the gumshoe brigade don't want, and they will get good results.

This is plain talk, but, so far as lies in the power of this little one-horse paper, the truth about candidates will be told.—Salem Journal.
