Hood's Sarsaparilla MER STORIE

We are often asked, Why does Hood's Sarsaparilla effect so many cures of cases that seem to be almost beyond the reach of medicine?

The answer is this, that this great medicine is enabled by the peculiarity of its formula to produce results unapproached by any other medicine, this peculiarity consisting in the balanced combination of the very best specifics for the blood, liver, kidneys, stomach, and bowels, namely, for the blood, Sarsaparilla, Stillingia, Yellow Dock; for the liver, Mandrake, Dandelion; for the kidneys, Uva Ursi, Juniper Berries, Pipsissewa; for the stomach, Gentian, Wild Cherry Bark, Bitter Orange Peel; for the bowels, Senna, Mandrake and Dandelion.

Pepys' Furance.

An electric resistance furnace was used by Pepys in 1815 for the cementation of iron. He took a piece of pure, soft iron and cut a slit along its length. The slit was filled with diamond dust. which was prevented from falling out by fine iron wire. The portion of the wire containing the dust was wrapped in mica. The wire thus charged was hived up in that little house." heated quickly to redness by the current from a battery. On opening the wire Pepys found that the diamond dust had disappeared and that around where it had been the wire had been converted to steel.-London Engineer.

WHAT JOY THEY BRING TO EVERY HOME

as with joyous hearts and smiling faces they romp and play—when in health -and how conducive to health the games in which they indulge, the outdoor life they enjoy, the cleanly, regular habits they should be taught to form and the wholesome diet of which they should partake. How tenderly their health should be preserved, not by constant medication, but by careful avoidance of every medicine of an injurious or objectionable nature and if at any time a remedial agent is required, to assist nature, only those of known excellence should be used; remedies which are pure and wholesome and truly beneficial in effect, like the pleasant laxative remedy, Syrup of Figs, manufactured by the California Fig Syrup Co. Syrup of Figs has come into general favor in many millions of well informed families, whose estimate of its quality and excellence is based upon personal knowledge and use.

Syrup of Figs has also met with the approval of physicians generally, because they know it is wholesome, simple and gentle in its action. We inform all reputable physicians as to the medicinal principles of Syrup of Figs, obtained, by an original method, from certain plants known to them to act most beneficially and presented in an agreeable syrup in which the wholesome Californian blue figs are used to promote the pleasant taste; therefore it is not a secret remedy and hence we are free to refer to all well informed physicians, who do not approve of patent medicines and never favor indiscriminate self-medication.

Please to remember and teach your children also that the genuine Syrup of Figs always has the full name of the Company-California Fig Syrup Co. - plainly printed on the front of every package and that it is for sale in bottles of one size only. If any dealer offers any other than the regular Fifty cent size, or having printed thereon the name of any other company, do not accept it. If you fail to get the genuine you will not get its beneficial effects. Every family should always have a bottle on hand, as it is equally beneficial for the parents and the children, whenever a laxative remedy is required.

Czar's Wealth in Forests.

Few people who have not traveled about the Russian empire can imagine spect the extensive works. how boundless is its wealth in timber.
