# FIRE STILL BURNING

But Has Lost its Fury and is Now the extinction of the fire allows of in-Slowly Dying Out.

Help, But Their Aid Will Not Be Needed.

San Francisco, April 20. - Plunged lapsing of many cheap lodging houses. into absolute darkness tonight at 10 Among others, the caving in of the o'clock, San Francisco has not seen the Royal, corner of Fourth and Minna conculsion of the devastating work of streets, added to the horror of the sitthe conflagration.

The fire that started at Nob Hill and of victims embedded in the ruins. worked its way to the North Beach section, sweeping that section clear of tion, sweeping that section clear of buildings, was later veered around by a Market, came about in a similar manfierce wind and made its way southerly to the immense seawall sheds and grain warehouses. The flames were heading directly for the immense Ferry building, the terminal point of all central overland and local trains of the Southern Pacific road. The darkness and the wind, which at times amounted to a gale, added fresh terrors to the situation.

Tonight the principal remaining fire was confined east of Van Ness avenue and north of Union street, but was burning its way to the shore. Late this afternoon the police broke

open every saloon and corner grocery in the saved districts and poured all malt and epiritous liquors into the gutters.

## HUNDREDS DEAD IN HOTELS.

Over 75 Bodies Taken Out - One Hundred in Cosmopolitan.

San Francisco, April 20 .- The threestory lodging house at Fifth and Minna entirely and fire started amid the ruins streets collapsed and over 75 dead bodies have been taken out. There are at least 50 more dead bodies exposed. This building was one of the first to take fire on Fifth street.

At least 100 people were lost in the Cosmopolitan hotel on Fourth street. The only building standing between

Mission, Howard, East and Stewart streets is the San Pablo hotel, which is eccupied and running. The shot tower at First and Howard streets is gone. This landmark was built 40 years ago. The Risdon Iron works is partially destroyed. The Great Western Smelting and Refining works escaped damage, also the Mutual Electric Light works, with slight damage to the American Rubber company and Vietagas Engine Within Four Days City Will Have Half company. Folger Bros.' Coffee and Spice house is uninjured, and the firm is giving away large quantities of bread and milk. .

Many are dropping dead from the heat and from sufficiation. Over 150 people are reported lost in the Brunswick hotel, Seventh and Mission streets.

DEATH LIST LARGE. Will Probably Exceed Even the First Estimates Made.
