EVERYTHING REPUBLICAN

EXCEPTING THE GOVERNOR.

Chamberlain Wins Over Withycombe—Sewell, for County Judge, Defeated by Over 150.

Election in Hillsboro last Monday was far from exciting and very little enthusiasm was shown during the day. Dr. Withycombe defeats Gov. Chamberlain in the county by only 31 votes, when it was thought by republicans he would get between 600 and 700 majority. Even the democrats admitted that his majority would reach 400 or 500. There is of course a reason for this unlooked for result, as it was confidently expected that Dr. Withycombe would get a large endorsement in his old home county. But the returns shows that his "friends" all carried a knife up their sleeve, and used it very freely. Still the republicans have much cause for rejoicing, as every other republican candidate in the state is elected.

The entire republican ticket in this county is elected. The real contest was between J. W. Sewell and J. W. Goodin for judge. The friends of Mr. Sewell were confident they would land him, but like Dr. Withycombe, the votes tallied for the other "feller." The rest of the ticket was dead easy and went through with all kinds of majorities.

Of the state ticket the Morning Oregonian says:

George E. Chamberlain, democrat, carried the state for Governor at Monday's election, by a plurality of more than 2000. Jonathan Bourne, Jr., republican, has a plurality of about 2500 over John M. Gearin, democrat. Willis C. Hawley, republican, for Congress in the First District, has defeated Charles V. Galloway by about 3500. W. R. Ellis, republican, in the Second District has a lead over James H. Graham, democrat, that will approach 15000.

Willis C. Duniway, republican, for State Printer; Frank W. Benson, republican, for Secretary of State, and Robert Eakin, republican, for Supreme Judge have defeated their respective opponents by unprecedented pluralities.

Woman suffrage was beaten by about 10,000 and the proposed local option amendment was lost by about the same vote. The legislature is overwhelmingly republican.

The success of Governor Chamberlain was achieved through his carrying a number of counties that went against him in 1902, and through his having equalled or exceeded his vote of that year in the other counties. He carried a large majority of counties and in Multnomah has a plurality of about 330. His largest lead in Baker—about 700.

The counties carried by Dr. Withycombe were 14 in number, as follows: Benton, Columbia, Coos, Curry, Douglas, Jackson, Josephine, Lake, Lincoln, Sherman, Tillamook, Wallowa, Wasco, Washington. Mr. Bourne's plurality, for United States Senator (long term) has been somewhat reduced from early estimates, which seemed to indicate a margin of about 5000. His unexpected loss in Marion county, to Mr. Gearin, the democratic candidate by about 700, the Gearin plurality in Baker county of about the same figure and the heavy adverse of Linn, with some minor changes, lopped about 2500, leaving the republican candidate for United States Senator with a safe lead of 2500 over his democratic opponent.

Senator Burton will be a better man for serving a term in jail. So would some of the other alleged statesmen be benefited by having an enforced period for cool, calm deliberation on their past offenses. —Salem Journal.

Hoyt has just received a fine lot of men and boys' summer hats. Don't buy until you have seen them.

For Country Girls.

One of the biggest schemes for advertising Oregon has been undertaken in Portland by Phillip S. Bates, publisher of Oregon's Great Agricultural Monthly, The Pacific Northwest. The proposition is nothing less than the taking of thirty-three young ladies, one from each county of the state to the Jamestown Exposition which will open May 15th, 1907 at Jamestown, Virginia. The exposition is to commemorate the first settlement of the English in the United States which took place in 1607. This historical event in the history of our country is one which gives opportunity for a wonderful exploitation of the great strides which have taken place in the past 300 years and the Jamestown Exposition, from an educational standpoint, will no doubt prove an exceptional undertaking along these lines. One farmer's daughter from each county in Oregon will be taken by Mr. Bates. She will carry a large amount of literature for general distribution along the lines of travel which it is expected our Boards of Trade will furnish.

The method of choosing our candidate rests wholly with the farmers' daughters of our county. They are all entitled to compete for the honor. It is a simple proposition depending on the number of subscriptions sent in by the candidates. The cost of the paper is 50 cents a year and from our knowledge is fully worth a dollar. All expenses will be paid and the estimated cost of the trip is over \$10,000. It will prove a wonderful advertisement for our county as Mr. Bates makes no charge for the work he will do for us and we trust his efforts to make Oregon better known throughout the United States will receive the support of every one in our county.

Bill Miner and his pals who held up and robbed a Canadian Pacific train a few weeks ago, secured \$15,500 in the way of booty. Since their arrest they have been given life sentences in the penitentiary. A few "water hauls" of this character, followed by similar sentences, may put a serious "crimp" in the train-robbing industry in the Pacific Northwest. With the present scarcity of labor, "Bill" and his assistants could have made more money in assisting in the construction of railroads, for about a week, than they got out of the Canadian Pacific job.

Weather Report.

The week opened and closed showery and cool, with an intervening period of from two to three days with mild temperatures and clear skies. The rains on Tuesday and Wednesday were excessive over limited localities in the northeast section of the state. The Umatilla river overflowed its banks, and did considerable damage to the streets in the city of Pendleton and to the bridges and fences along its course from that city to its mouth at Umatilla. In a few other localities in that section farm lands were badly washed by heavy rains, but the good done in the larger territory where the rains were only moderate, much more than compensated for the damage done in the few limited areas where they were excessive. Friday morning the temperature was dangerously near the frost mark, both in the eastern and western portions of the state, but no frosts were reported. The winds during the week were generally light and mostly from the west, but some of the rain squalls were attended by wind rushes of short duration.

Following the Flag.

When our soldiers went to Cuba and the Philippines, health was the most important consideration. Willis T. Morgan, retired Commissary Sergeant U. S. A., of Rural Route 1, Concord, N. H., says: "I was two years in Cuba and two years in the Philippines, and being subject to colds, I took Dr. King's New Discovery for Consumption, which kept me in perfect health. And now, in New Hampshire, we find it the best medicine in the world for coughs, colds and bronchial troubles and all lung diseases. Guaranteed at all druggists. Price 50c and \$1.00. Trial bottle free. Simple Flour, the best flour on the market, at R. H. Greer's."

Reduced rates.—All Pioneers and Indian War Veterans paying full fare to Portland over any of the Southern Pacific lines in Oregon will be returned at one-third regular fare to starting point on or before June 18th, when the certificate or receipt is properly countersigned. The O. R. & N. Co. will grant the same rate (one and a third fares) on all its rail lines in Oregon, Washington and Idaho. No reduced rates will be given by either company for a less number than fifty persons, and such persons must have paid fare to the amount of fifty cents at least. The rate applies equally to Pioneers and Indian War Veterans. Be sure to ask for a receipt or certificate at starting point, showing the amount of fare paid. These receipts or certificates will be countersigned by Geo. H. Himes, secretary of the Oregon Pioneer Association or Otto Kleemann, grand adjutant of the Indian War Veterans; and the presentation of them to the ticket agent in Portland will secure a return ticket to starting point at one-third rate. Careful attention to these directions will save much trouble. The fare between Portland and Astoria, either by rail or boat, will not be reduced below the rate now in operation. The Oregon Central & Eastern Railroad will carry Pioneers and Indian War Veterans over its line for full fare and return them to starting point at one-fifth fare. The Oregon City Transportation Co., running between Portland and points up the Willamette and Yamhill rivers, will sell round-trip tickets for one and one-third fares.

To find the Armory, take street car lines in any part of the city east, west, north and south, and transfer to Washington street line and ask conductor to stop at Tenth street. Then go north on Tenth street three blocks to Armory, where the Pioneer badge for 1906 will admit you. All Pioneers and Indian War Veterans should attend the reunion this year. If you want a real good time help some one else to have a good time.

Senator Burton Resigns.
Topeka, Kan., June 4.—United States senator Joseph R. Burton, of Abilene, after a conference here today with several close friends, placed his resignation in the hands of Governor Hoch. These friends included Bailie Wagener, of Atchison, a democrat; W. P. Hackney and George Findley. As had been his custom since the charges were brought against him, Senator Burton declined to talk for publication before going to the conference. The letter of resignation was as follows:

"Topeka, Kan., June 4.—To His Excellency, Governor Hoch. Sir—I hereby resign as United States senator from the State of Kansas, to take effect immediately. Very respectfully,
"JOSEPH R. BURTON."

To Old Comrades.
The Fifth Annual Reunion of the Association of Veterans of 1st Oregon Cavalry and Infantry Volunteers will be held in conjunction with the state encampment of the Grand Army of the Republic at Grants Pass, Oregon, on June 21, 1906. All comrades and their families are cordially invited to be present and participate.
J. T. APPERSON, Commander.
W. M. HILLHARY, Adjutant.

Gorman is Dead.
Washington, June 4.—Arthur Pue Gorman, United States senator from Maryland, died suddenly at his residence in this city at 9:05 o'clock this morning. While Senator Gorman had been ill for many months, he had shown some improvement lately. Heart trouble was the immediate cause of death.

Up to the moment of death, Senator Gorman was conscious. His condition during the past week had improved so much that yesterday the family had hopes of shortly taking him to the country. He partook of some nourishment at 8 o'clock this morning, but at 9 o'clock he was seized with a heart attack and died in five minutes. At the bedside were Mrs. Gorman, Miss Ada Gorman, the senator's eldest daughter and the nurse. When the attack came, physicians were sent for but the senator was dead before they arrived.

MAYOR'S PROCLAMATION

FOR CLEANING UP THE CITY.

Mayor's Proclamation.
Whereas, the Civic Improvement Club and the Board of Trade of the city of Hillsboro have requested the city council to designate and set a day for the special purpose of cleaning the public streets and alleys and public grounds, as well as private, and believing that all should be deeply interested in said work, and that it is to the best interests of the city, the city council, by vote, has designated Monday, June 11th, as the day, and would ask all interested in beautifying the city, as well as improving the sanitary condition thereof, to participate in said work on said day. By order of the city council,
Dated this June 6, 1906.
B. P. CORNELIUS, Mayor.

Flag Day.

Thursday, June 14th, will be the one hundred and twenty-ninth anniversary of the birth of the United States flag, and Governor Chamberlain has issued a proclamation designating next Thursday as "Flag Day." T. E. Hills, department Commander G. A. R. of Oregon has issued the following circular to the members of that organization:

"The flag which was created to be the emblem and illustration of a bond of unity comprising thirteen states, fringing a vast territory along the Atlantic, has expanded until its protection covers nearly a whole continent, and extends far across the seas to embrace within its folds the oppressed and degraded of other races of men who were the bondsmen of avarice and power. Honorable has been its mission; freedom and liberty its message; humanity its service; elevation its communication; authority its duty and sacred its promises."

Let the first glow of the morning sun of June 14, as it rises in all its splendor above the mountain peaks, kiss the flag we love so well—and which we have followed in the smoke of battle and in the mighty charge that it might be preserved—floating from every house top and liberty pole in this department, and do all in our power to have the day properly observed."

Annual School Meeting.

Notice is hereby given that the annual school meeting of District No. 7, of Washington county, will be held in the school house, in Hillsboro, on Monday, June 18, 1906, at 2 o'clock p. m., for the purpose of electing one director for three years, and one clerk for one year, and to transact such other business as may properly come before the meeting.

A NEW O. R. & N. TRAIN.

Upper Columbia River Given Service That Is Appreciated.

The new local Upper Columbia river train put on by the Oregon Railroad & Navigation Company, May 20, will do much toward attracting tourists to points along the river between Portland and The Dalles. The new train leaving Portland as it does, at 8:15 a. m., and arriving at Portland at 6:00 p. m., the same day, gives one an opportunity to spend the day at some of the delightful places along the Upper Columbia river, and permits them to return home the same day. The train is made up of baggage car and coaches, and stops at all points in both directions so as to accommodate local travel as much as possible. The lightness of the train, however, permits it to run at a high rate of speed between stations, so that even with stops, good time is made.

There are many beautiful places along the river, such as, Rooster Rock, Latourelle, Multnomah Falls, Bonneville, at which a day's outing and picnic can be enjoyed to the utmost and this new service makes it possible to take such outings, whereas, in the past, when the service has been performed by heavy through trains, it has not been possible to do this.

Columbia Southern passengers instead of waiting at Biggs, which is unattractive, are taken to The Dalles promptly where they await the train for Portland, coming in on No. 1, as at present, or taking the local, as they may desire.

New at McCormick's.
