PROF. COGHILL RESIGNS.

frouble over funds for new Dormi tory. Student Body and the Alumni Dissatisfied.

Forest Grove, June 23 .- The subject of paramount interest in the college city is the outcome of the faculty quarrel terminating a few days ago in the resignation of Professor George E. Coghill, A. M., Ph. D., of the chair of biology and neurology. The real trouble is the opposition of the students and certain members of the faculty to William Nelson Ferrin, acting as opposition to Professor Ferrin in water Times. becoming the head of the college. The trustees, however, elected him to the presidency, because of his not all dependent upon the disability as a financial manager.

Jifice: Kooms 3, 4 and 5, Morgan Block the current against President Fer- and not altogether the men living rin was real and gaining strength, within a certain number of miles and they, too, have become opposed from it that makes the town.to him.

The trouble came up to a head students, who have been active in the raising of funds for the build- And now is the time for workinging of the new girls' dormitory, men to make a beginning for future was to receive a commission from independance and prosperity. Some the president for raising the money

It seems that \$500 was to be of funds in Portland, for which he seemed particulalry fitted by ac-

quaintance with the business men. The student body was patting display of college spirit, and the faculty did not know what sum he was drawing for his work- When the scheme leaked out the students who were working on the "\$10,000 student fund" refused to work any further. Prof. Bach investigated members of the taculty. The deal between the college president and the student solicitor was to much they will have a property and a for Dr. Coghill, and he handed in character, their names will be good

his resignation. Such is the situation at Pacific. Naturally everything is kept very present management of the school. It is left to the trustees to act; Meat Market, we wish to announce either dismiss the president or make esting and commonplace. It is the changes in the faculty that will allurements of falsity that is attractbring about harmony.
