Quake Wrecks Trestle.

Portland, Me., Oct. 22 .-- Two earth shocks last night destroyed about 100 feet of a temporary highway structure which crosses the upper harbor. The first shock was felt at 6 o'clock and the second at 7:07. Both shocks were light, but were distinctly felt by pedestrians. Accompanying the rumbling was the sound made by the cracking of the timbers of the temporary structure. It is feared that great damage has been done to the foundation of the new high-

way bridge nearby, for which \$250,000 was appropriated recently. .

#### Combine Packing Houses.

Chicago, Oct. 22 .- Rumors that an English holding company is being organized to take over all the packing interests of the United States flew thick and fast in LaSalle street today. The capital of the concern is said to be close to \$500,000,000, and J. Ogden Armour is mentioned as the practicall chief. While nobody in a position to give the facts would say anything one way or the other on the subject, certain things that have recently transpired in the

street are called significant by students of similar financial proceedings.
