## Proposed Oregon Tax Law

(Continued from last week)

(Assessor to give certificate of assessment-Penalty for refusing.)

Section 24. Any person assessed for thereof. any year may demand of the assessor an official certificate of that fact, and upon the refusal of the assessor to give narily used.)

(No change, except to simplify the permissive abbreviations to correspond with those ordinarily used.) upon the refusal of the assessor to give the same he shall be fined in the sum (Description book—Contents.) of \$100, to be collected by the person demanding the same in an action in the the office of the tax collector a book, to justice of the peace in said county.

(B. & C. Comp., 3156, without change.) (Assessment roll-What to contain.)

Section 25. That section 3071 of the Codes and Statutes of Oregon, compiled and annotated by Hon. Charles B. Bellinger and William W. Cotton, be and the same hereby is amended to read as follows:

The assessor shall set down in the assessment roll, in separate columns, and according to the best information he

1. The names of all taxable persons in his county assessable by him.

2. A description of each tract or parseparate heads the township, range, and section in which the land lies, in trates not exceeding a quarter section according to the government survey, or if divided into lots and blocks, then the number of the lot and block.

3 The number of acres and parts of an acre, as near as the same can be ascertained, unless the same be divided into blocks and lots.

4. The full cash value of each parcel of land taxed.

5. The taxable personal property owned by or to be taxed to such person as provided by law, and the full cash value thereof, and exemptions allowed. 6. The total valuation of all property taxed, real and personal.

For ocnvenience the assessment roll may be divided so as to show separately assessments of real property or lands and lots, and assessments of personal property.

(City, village, or town in which lots are situated to be named.)

Section 26. When lots are situated situated shall be specified in the assessment roll.

(No change.) (Trust property—Representative character of holder designated.)

Section 27. That section 3073 of the Codes and Statutes of Oregon, compiled and annotated by Hon. Charles B. Bellinger and William W. Cotton, be and the same hereby is amended to read as follows:

When any person is assessed as trustee, guardian, executor, or administrator a desingation of his representative character shall be added to his name, and such assessment shall be entered in a separate line from his individual ashim in such representative character at the full value thereof.

(No change, except to require that personal as well as real, property shall be assessed a

(Assessment and taxation of undivided interest in real or personal property.) Section 28. An undivided interest in lands or lots, or other real property, may be assessed and taxed as such. Any person desiring to pay the tax on an undivided interest in any real property may do so by paying the tax collector a sum equal to such proportion of the entire taxes charged on the entire tract as the interest paid on bears to the whole.

(New: but compare Revenue Laws Washing-ton, 1905, section 91.) (Real property—How described.)

Section 29. That section 3074 of the Codes and Statutes of Oregon, compiled (Form of assessment roll). and annotated by Hon. Charles B. Bellinger and William W. Cotton, be and Codes and Statutes of Oregon, compiled the same hereby is amended to read as and annotated by Hon. Charles B. Bel-

COAL FOR CENTURIES.

Southwestern Oregon Could Supply

Entire Nation for Ages. Marshfield-There is 400 square miles of coal land in Coos county, principally of County Fruit Inspector Evans, made about Marshfield, according to the Coos to the state board of horticulture, \$60,bay folio of the United States geological survey. From Marshfield the coal area extends north eight miles, east six from Umatilla county this year. This miles, south 22 miles and west nine does not include the large amount shipmiles to the Pacific ocean. There are four veins, the first three sold as Washington fruit. and one-half feet thick, the second sev- The prices figured were those actualen feet, the third ten feet and the ly received by the grower, and the averfourth from four to six feet. Coos county has 5,000,000,000 tons berries were as follows: Apples, 61 of coal, taking an average of only two cents per bushel; pears, \$1 per bushel;

year this Marshfield body of coal, even per crate; grapes, 50 cents per box; toif mined at that rate, would last over matoes, 34 cents per box. Should Coos county exhaust her coal acres devoted to the growing of each in a hundred years Curry county has kind of large and small fruits, the total enough coal area to quadruple that of being 1,950 acres. The apple industry Coos, so Southern Oregon cannot mine leads with a total of 68,826 trees, while sylvania fields would shut down and the 43,142 trees. More than 200 acres entire country draw its supplies from are planted with strawberries.
