begun.

Portiand-Postoffice Inspector Richies, of this city, owns a copy of a "List of Postoffices of the United States," which was issued by the government in 1862. The list has been, until recently, in the possession of John Hedden, postmaster at Scottsburg, Douglas county, Oregon, who had it from the government soon after its publication. Some time ago he gave it to Inspector Richies on the occasion of an official visit to that office by the latter.

A Floral Frenk.

There is a singular floral freak called the "occasional" flower for the reason that it has no particular time to bloom. It is said that when closed the occasional flower is in color and form something like a ripe poppy head, but with the stem attached. Submerged in a bowl of water for a few minutes and then taken out and placed by its stem in an empty bottle, the outer petals begin in several minutes to open out. This process is slow, but distinctly noticeable. The petais continue to rise and to expand until they gradually recede.
