Portland saloons were closed tighter than a cup last Sunday and the lid is to stay down. Now it is proposed to close all the drug stores, and the extent to which the six-work-day contagion may spread is only a matter of speculation.

The number of "sticks" put into Portland drug store lemonade and soda water on any hot Sunday, would if put in a row, reach around the whole state of Oregon. Mr. Manning should close the drug store saloons as well as the others.

Between 300 and 400 delegates to the state encampment of the Grand Army and the Women's Relief Corps, gathered in Newberg this week and the meeting has been a very successful and pleasant one. The encampment was opened Monday night at the Opera House by a patriotic contest. On Tuesday evening Ex-United States Senator Mulkey delivered an able and interesting address.

The streets of Newberg were handsomely decorated with flags and bunting in honor of the old soldiers and the people of that city opened their homes to the visitors and made the event a most joyous time to them. The delegates from Hillsboro were Judge Crandall, Rufus Waggener, F. A. Haines and wife, A. W. Barber and wife, R. K. Dailey and Frank Doughty and wife. They will all be home ready for the encampment which begins here June 29 and continues until midnight of July 3rd.

When Dr. Wood decided to build a brick block on his lots on Main street, his decision forced the tearing away of the frame buildings occupied by Mrs. I. Bath as a millinery and ladies furnishing goods store and Miltenberger's confectionary. The notice was too short to put up a new building, and there not being an empty store in town, Mrs. Bath has been compelled, temporarily at least, to move her stock of goods into The Independent office, in Masonic building, corner Second and Washington streets. The large room will be partitioned off, the office moved to the rear, with entrance on Washington street. The front will be handsomely papered, painted and thoroughly renovated, and when she moves in on July 5th, and gets settled, she will have one of the prettiest millinery stores in Oregon, with a stock of goods to match. We are not the first man that has been forced "to go back and sit down" by his wife, and as we do it cheerfully under the circumstances, there will probably be no objections. The Independent will still flourish and do business in the same building, side entrance. Call at any time; the latch string is out, and we shall be glad to meet you.

A very painful and serious accident happened to Mrs. John Howard last Monday night at Laurel, which could easily have proven fatal. Mr. and Mrs. Howard and the baby, had come to Laurel postoffice in the early evening from their farm about one mile east to do a little frading, which was finished about 9 o'clock, when Mrs. Howard with the baby got into the wagon to return home, the father stopping in the store for a moment to talk to the proprietor. At this juncture the real funny individual, a specimen of which every community has a few, long on trying to be smart but mightily short on good horse sense, got in his work by touching off a bomb almost under the horses' feet, the noise of which frightened the animals and they made a dash for freedom. Mr. Howard, who took in the situation with the rapidity of lightning, ran to the team and by hard work prevented them from getting away, but not until the wagon had been overturned and his baby and wife thrown violently to the ground. The child was uninjured, but Mrs. Howard struck on her chin, breaking both upper and lower jaws, and bruising her head and shoulders. Drs. Tamieste and Linklater were both summoned and they hastened to Mrs. Howard and attended to her injuries, which are very painful and will keep her on the verge of starvation for some time. There should be a law passed making it a misdemeanor, with a heavy penalty attached, for anyone to shoot off a bomb or giant firecracker on any day but the Fourth of July, when men are prepared and expect to look after their horses. Until this is done the fool killer will find his hands more than full.

A. H. Wooley, night operator for the Southern Pacific at Oregon City, has been appointed operator at the depot in this city, and will assume his duties just as soon as he can be relieved at Oregon City.—Mr. Wooley succeeds Robert Welton, who was appointed in place of P. G. Vickers who was made station agent.

A man not a million miles from the county seat, who probably neglects to take his home paper because it costs 2 cents a week, sent \$1.00 to an advertiser in a sheet sent out to verdant readers free of cost, for a recipe to rid a fat man of superfluous fat. By return mail he was told to "sell it to the soap man." Now he is mad.

An alarm of fire brought out the fire department shortly after noon Sunday. A burning mattress on the back stoop of the Hotel Tuatlatin led to the belief that the hotel was on fire and an alarm was turned in. It is supposed that a match was left on the floor near the mattress and that someone in passing stepped on it, igniting the lucifer. No damage was done. The firemen responded promptly, but turned back before they had gone a block from the engine house by a cry of "Fire Out."

L. P. Horton and wife of Eugene, who have been attending the G. A. R. encampment at Newberg, are in the city, the guests of Mr. and Mrs. D. W. Bath, the latter being a niece of Mr. Horton. Mr. Horton never misses a gathering of the old veterans if he can help it, and enjoys talking over the days of '90-5, with the "boys" that are left, for he stood shoulder to shoulder with them in those troublous days. He and his wife will take part in the encampment and remain our guests for a week or more.

Painters, paper hangers and the furniture man have been making some very noticeable improvements in the offices of Attorney Bump, opposite the court house, until he and his brother, D. D. Bump, look like millionaires in their cosy quarters. To make things look more prosperous and substantial Mr. and Mrs. Bump, of Forest Grove, presented their sons with a one-ton Hall safe, which is guaranteed to withstand both fire and burglars, and is not only an ornament to the office, but will be of great convenience in keeping safely papers and documents of value. Burglars cannot, of course, at the present time, find any large number of dollars stored away in the strong box, but it is no pipe dream to make a good guess that if M. B. and his brother D. D., keep up their present gait, there'll be plenty of money in the locker one of these days, and we hope there will be, for they deserve success.

Republicans should take The Independent because it is a republican paper, endeavors to give all the county and city news, and naturally looks to the republican party for support. You never heard of a democrat putting patronage into a republican paper, did you? Well, you never will, and its a poor rule that will not work both ways.

Following is the program for next Sunday at Shute Park where the veterans will be in camp until July 3, midnight: 11 a. m., preaching by Rev. Clapp, of Forest Grove; 2:30 p. m., preaching by Rev. Blake of Cornelius; 5 p. m., preaching by Rev. Lindsay, of Hillsboro. There will be singing by the several church choirs, and it is expected that this will be union services, in which all the churches in the city will take part. A cordial invitation is extended to all to attend.

J. T. Williams and sister, Mrs. G. B. Thompson of Beaverton, and G. W. Williams, publisher of the Skamawawa, Wash., Eagle, accompanied by his wife, who are visiting relatives and friends at Beaverton, were county seat visitors Monday and gave The Independent office a pleasant call. J. T. was out showing his brother the country and he will take back with him to his Washington home a glowing account of this county. It is his opinion, expressed while here, that Washington county holds over any other county in Oregon, and Mr. Williams has traveled a great deal in this state and is a keen observer, both as to land values and beautiful scenery.

Following new officers were elected at the G. A. R. encampment at Newberg Wednesday: For commander, S. F. Blythe, of Hood River; senior vice-commander, George W. Allen, Newberg; junior vice-commander, W. J. B. Beach, Forest Grove; medical director, Dr. J. E. Hall, Portland; chaplain, Rev. Henry A. Garden, Portland; council of administration, J. R. K. Irving, Portland; J. D. Haynes, Portland; C. H. Baker, Eugene; R. W. McNutt, Forest Grove; Daniel Webster, Salem; delegates to National encampment to be held at Saratoga in September, George A. The Fourteenth Annual Session of the Willamette Valley Chautauqua will be held at Gladstone Park, July 9 to 21, inclusive. Gov. Henry A. Buchtel, of Colorado, has been secured for two lectures, Thursday and Friday evenings, July 11 and 12. "Theodore Roosevelt" and "Pleasantness of American Life," will be the subjects. On July 16 and 17, U. S. Senator Elmer J. Burkett will speak on "The New Woman and the Young Man," and "The American Flag." There will also be lectures by Dr. John Roach Straton, pastor of the Second Baptist church, Chicago; Hon. Frank S. Regan, of Illinois; Dr. Frank G. Smith, pastor of the Warren Congregational church, Chicago; Ber. James Hoffman Ballen, Dr. R. A. Heritage, Hon. Willis C. Hawley, M. C., Prof. W. Eugene Knox, Rev. Ira Landrith, Prof. Albert L. Grille, Miss Jennie F. W. Johnson, of Chicago; Miss Lillian Tingle, Dr. B. J. Hoadley and many others. The program is very long and most interesting, a copy of which can be had by addressing Hon. H. E. Cross, Secretary, at Oregon City. Season tickets in blocks of ten can be had at \$2.00. Parties desiring to make up clubs and purchase tickets on this plan, may do so, and send the money, \$20, to E. G. Clafield, treasurer, on or before the opening day. Special railroad rates have been granted on the S. P. lines on the certificate plan and it is expected that trains will stop at Gladstone Park. There will undoubtedly be a very large attendance at the Chautauqua this year and a rare treat is in store for all who can find it convenient to attend. We learn that quite a number are going from Hillsboro.

Special Notice.

On account of the Fourth of July coming on Thursday this year, The Independent will be issued early on the morning of the Fourth. Advertisers and others wishing announcements for next week, please get copy for same to this office not later than Wednesday noon.

Eat Sweetland's Ice Cream, at Walker's.

Seven cents was the price paid for hops in Portland yesterday. Dealers say that most of the interest centers in the growing crop, which, according to reports from various parts of the state, is coming up fine. The butter market is reported firm and fresh fruit in strong demand.

At an early hour last Monday morning L. M. Hoyt started out on his bicycle to look up a wash woman, a task no man can accomplish in this city, as long as present prosperity lasts. While turning a short corner he was thrown from the wheel, striking the sidewalk on his face, which at this writing resembles "the other fellow" after the 45th round with John L.

The Fourth of July committee informs us that everything is in readiness for the big celebration. Fireworks ready to apply the match, the balloon man is all fixed to go up among the clouds, and the other attractions only waiting for the day. Bring your friends and spend your Fourth in Hillsboro. The big dance in the evening will be one of the pleasing features.

Ex-Mayor Williams and a photographer from Portland were in Hillsboro Wednesday calling on Grandma Woods. They secured a photograph of the old lady, sitting in a chair on the lawn. Mrs. Woods is quite feeble, but her health is no worse than a month ago, when it was reported that she was liable to pass away at any time. She is now over 120 years old. Her daughter, Mrs. Reynolds, who is 76 years of age, fell while moving a table last Wednesday and injured her limbs quite badly, but not seriously.

The Edison Phonograph

When a man leaves home in the evening it is because he seeks amusement. The best way to keep him home is to give him the amusement there. Make home a competitor of downtown, the club, the cafe, the theatre and the concert hall. No one thing will furnish so much amusement for so many people, so many times, and in so many ways as the Edison Phonograph.

Talk about versatility! If you had a brass band on tap and several leading concert hall singers on salary, and two or three funny men to crack jokes, and a beautiful soprano to sing ballads, you could not give the same amount of varied entertainment that the Edison Phonograph gives by simply changing records.

You can hear the whole program at our store.

The prices on Edison goods are the same anywhere in the U. S. If you buy here you have no freight to pay which means something about \$3.00.

Prices: Edison Standard or No. 5 \$20.00

" Home - \$30.00

" Triumph - \$50.00

" Records, per dozen \$ 4.20

You can hear the records at my store any time, and we will be only too glad to play for you. You will be surprised at the remarkable distinctness and clearness of the Edison Phonograph in producing sound. Cash or Installments—Same price.
