Push Oregon to the Front.
On April 29th last the Oregonian published a special industrial edition devoted exclusively to the exploitation of Oregon. It probably contained more special and miscellaneous information about Oregon than any one publication that has ever been issued. It is peculiarly useful and valuable to the homeseeker, because it gives the latest and most reliable information about so many different subjects that the homeseeker is naturally interested in. Almost every department of industry is specialized, and both descriptive and statistical information of a highly valuable character is given extensively and in entertaining form.

Residents of Oregon who know its advantages as compared with the congested and depleted East, and who still have friends back there whom they would like to see here enjoying the good things of this favored state, can aid in a splendid work now without cost and very little effort. If you think your friend would be interested in knowing more about Oregon and might eventually become a valuable citizen, send his name and address to the general passenger agent of the Oregon Railway & Navigation Company or the Southern Pacific at Portland, and a copy of this special edition, with a complete summary of the several subjects treated, carefully indexed, will be mailed to him promptly. In this manner you may be the means not only of doing your friend a good turn, but of helping to stimulate the growth and prosperity of Oregon.

Don't forget that commencing September 1st and continuing daily for two months, tickets will be on sale at almost every railroad station in the East to all points in Oregon and the Northwest at what has come to be popularly known as "Colonist rates." These rates are the cheapest general long distance rates ever established, and enable one to reach Oregon from any part of the United States at but a trifle more than one cent a mile. They are the greatest incentive to colonization and progressive home building of any known agency, and if the restless, dissatisfied resident of the East is made to know before hand the advantages he can enjoy here, the problem is solved, and the star of empire will continue to move steadily westward.

Now is the time to spread the gospel of Oregon, so that it may be heard and heeded by the time the rates go into effect. Send one name or two, or a dozen, and you will be exerting a worthy influence toward the upbuilding of our state. Send them to your nearest Southern Pacific agent or to Wm. McMurray, General Passenger Agent, Portland.

"Everybody Should Know"
says C. G. Hays, a prominent business man of Bluff, Mo., that Bucklen's Arnica Salve is the quickest and surest healing salve ever applied to a sore, burn or wound, or to a case of piles. I've used it and know what I'm talking about." Guaranteed by all druggists. 25c.

Twenty-three applicants for camping space were received by Secretary Welch of the state board of agriculture last Saturday by mail. This was not much in excess of the number that had been coming in regularly every day, and by all indications all the convenient camping space will be taken up long before the fair opens. Indications are that there will be a much larger number of campers on the grounds than at any previous state fair. The new road to be opened into the grounds will also pass through the camping grounds.

Hickory Bark Cough Remedy, made by The Hickory Bark Remedy Co., of Salem, Ore., guaranteed to be pure; guaranteed to cure your cough, or money refunded. Guaranteed to make a friend of you. For sale by the Hillsboro Pharmacy and first class dealers everywhere.

A letter from Newport says that a school of whales has been disappearing at the Nye Creek beach the past two days. The whales have been so close to the beach that they can be seen very plainly as they raise to the surface to spout and throw themselves above the water. Three of the big animals last Sunday appeared within 200 yard

of the surf. Whales have often been seen at the Nye Creek beach, but it is very seldom that they come so close to the surf.

A Memorable Day.
One of the days we remember with pleasure, as well as with profit to our health, is one on which we became acquainted with Dr. King's New Life Pills, the painless purifiers that cure headache and biliousness, and keep the bowels right. 25c at all drug stores.

A special to the Portland Journal says: "The many friends of Richard Crouse, whose home is at Cornelius, have been delighted to hear of his capital successes at Concordia college, Milwaukee, Wisconsin, where he has been attending school for the past six years, and from which institution he this year graduated. Young Crouse was the captain of the champion basketball team of the state of Wisconsin, which won 15 straight games, and has taken an active part in literary work and debating. He will enter the Lutheran Divinity school at St. Louis in the fall. He was always regarded as a brilliant student when he attended school in this county and was a hard worker. He is the son of Mrs. Louis Crouse of Cornelius and was born in than town."

The grandmothers of the old Dutch Dunkard families of Western Pennsylvania have made and used "Hickory Bark Cough Remedy" and reared their families on it for a hundred years. Now you can buy it of your dealers. Ask for it, and use it, because it is pure; because it will stop your cough; because it is the best cough remedy made today. Try it. For sale by the Hillsboro Pharmacy and all dealers everywhere.

The Limit Of Life.
The most eminent medical scientists are unanimous in the conclusion that the generally accepted limitation of human life is many years below the attainment possible with the advanced knowledge of which the race is now possessed. The critical period, that determines its duration, seems to be between 50 and 60; the proper care of the body cannot be too strongly urged; carelessness then being fatal to longevity. Nature's best helper after 50 is Electric Bitters, the scientific tonic medicine that revitalizes every organ of the body. Guaranteed by all druggists. 50c.

"Regular as the Sun"
is an expression as old as the race. No doubt the rising and setting of the sun is the most regular performance in the universe, unless it is the action of the liver and bowels when regulated with Dr. King's New Life Pills. Guaranteed by all Druggists. 25c

Sallowness Transformed to Dusky Beauty
A dark skin becomes fascinating when delicately soft, underpinned with the radiant glow which indicates a healthy, active skin. Robertine keeps the skin refined in quality, keeps pores free from clogging waste and stimulates the tiny capillaries to contribute the color which charms in blonde and brunette alike. Robertine is a certain protection against tan, sunburn and freckles if applied before exposure to sun or wind. Spreads like an imperceptible sheen of cause over skin surface, forming a shield stimulating and preserving a delicate, lustrous beauty.
