## Suspend Enrolling Fee.

Klamath Falls-In order to get addi tional lands under the Klamath project signed up, the Waternsers' association has voted to suspend for the next 90 days the enrolling fee of 65 cents per acre, charging only the assessment fee of 10 cents per acre. It is hoped thus to insure the beginning of the Clear lake dam next year. Those familiar with conditions say that no difficulty will be encountered in securing the additional land. A resolution was drawn up, protesting against the recent action of the reclamation service in leasing the Clear lake reserve to sheepmen, as

it is feared that when the attempt is made to take sheep on a range where cattlemen have always had control serious trouble will arise.

Hill Buys in Astoria. Astoria-The announcement recent-Robbe made at the annual meeting of the

Union Pacific at Salt Lake that the company had purchased water frontage and terminals here is now supplement ed by authentic information that the Hill interests have not been idle. A. B. Hammond, who owns large tracts o water frontage between Warrenton and Fort Stevens, has stated as a positive fact that the Hill interests purchased 2,200 acres in that vicinity at the time History, Pedagogy, Algebra, etc., but others will be added from time to time. The property includes 1,800 acres well as the personal holdings of Ham-

mond. The purchase price is said to

## Enlarge Hinkle Ditch.

Pendleton-An agreement has been signed between the Hinkle Ditch company, of Pendleton, and the Newport and & Construction company, of Hermiston, whereby the latter company will undetarke the enlargement of the Hinkle ditch between the intake of the Umatilla river above Echo and the tion. In the preparation of the report, considerable collateral data will be also be extended for a considerable disdrop at Butter creek, and the ditch will tance. The Hinkle ditch was the first large irrigation canal in Umatilla county, built by G. W. Hunt in 1901. The Hunt Interest have been merged.
