

Hillsboro Independent.

D. W. BATH, Editor and Proprietor.

APRIL 10, 1908.

To the Voters.

I hereby state to the people of Oregon that I believe in the principles of the Republican party as represented by that fearless leader and advocate of the rights of the masses, Theodore Roosevelt.

I consider the office of United States Senator a political one and believe in electing to that high position a man who will carry out the principles of the President and his party and if I am elected to the Oregon State Senate I will vote for the man for United States Senator who has received the endorsement of my party as expressed at the primary polls.

E. W. HAINES, Candidate for State Senate.

Oak Nolan.

Attorney Nolan, of Tillamook, candidate for the nomination of joint senator for the district composed of Washington, Yamhill, Lincoln and Tillamook counties, believes that the people should have the privilege of election their own United States Senator and comes out squarely for Statement No. 1. Mr. Nolan is a lawyer of ability, a straight republican, and will receive a large vote in Tillamook county.

C. C. Hammerly.

Last Sunday's Oregonian stated that C. C. Hammerly, candidate for joint senator for the district composed of Washington, Lincoln, Tillamook and Yamhill counties, was unpledged. This is an error, as the petition circulated in his behalf in this county pledged him absolutely to republican choice; in fact, the same position taken by Mr. Barrett. The Oregonian has since corrected the error.

Mr. Hammerly was born and raised in Iowa, but has lived in the west for more than a dozen years. For a number of years he taught school in country, high school and academy, but for the past eight or ten years has been newspaper publisher and editor. Those who know him best have not the least doubt but that, if elected, he will fairly and well represent every part of the district, and that no mistake will be made in supporting him.

W. N. Barrett.

W. N. Barrett, of this county, is a candidate on the Republican primary ticket for joint senator of the senatorial district comprising Lincoln, Tillamook, Washington and Yamhill counties. Tillamook and Yamhill counties each have a candidate, yet Mr. Barrett is receiving letters from prominent citizens in those counties pledging him their support, and if his native county of Washington gives him loyal support there will be no question about his nomination. He is a lifelong Republican, and has canvassed this county in a number of campaigns. When a member of the legislature he has always opposed extravagant appropriations, and, if nominated and elected, is fitted and qualified to efficiently represent the interests of all the people of the district. He has always, when a candidate, received good support here, and as he is the only candidate for this position in this county, will no doubt receive practically the unanimous support of the Republican voters of this county at the coming primary election.

Rock Roads and Fisher.

Spend your money on dirt and you get mud holes. Spend your money on rock and you get good roads.

Rock roads are the only roads for Washington county, and now is the time to commence. Fisher's Rock Road Bill will bring them.

There has been more rock road built in Beaverton during the past two years than all the rest put together.

Why not help the farmers of Washington county.

EARL E. FISHER, Candidate for State Senator.

Cornelius Election.

A correspondent from Cornelius sends us the following report of the election there Monday:

The whiskeyites run in a lot of transients, who call themselves men. We carried the legitimate part of the city vote. There were some old socks who had been kept around here for the purpose of voting the town wet. The better class are hot over the result, but we will have another whack at them in June. Following is the result:

President of the Council— M. H. Henderson, dry 48 F. J. Scholten, wet 34 Councilmen— John Hartman, dry 36 F. A. Thomas, dry 36 H. S. Sturdevant, dry 41 C. A. Whitmore, dry 41 C. G. Fisher, wet 36 Gus Izler, wet 36

Cake or Fulton--Which?

It will be well for republicans to study, carefully and well, the peculiar situation now confronting them in the selection of a candidate for United States senator at the coming primary. The candidacy of Gov. Chamberlain on the Cake platform adds new complications to the situation. If the three were to race for the June election it would certainly add material strength to Mr. Fulton, as both Mr. Cake and Mr. Chamberlain are committed to Statement No. 1, or the election of a senator by direct vote of the people, while Mr. Fulton is on record as opposing it. But at the April primary, either Mr. Fulton or Mr. Cake must step aside. We have studied the situation very carefully and draw the following conclusions:

First. Should Mr. Cake receive the republican nomination it will place Mr. Chamberlain "between the devil and the deep sea," without a platform to stand on, he having voluntarily assumed a non-partisan, happy-go-lucky gait, going the whole hog on Statement No. 1 and telling his democratic brethren he recently loved so well that he has become infatuated "with most of the Roosevelt politics"—until after the June election—after which time the probationary state will cease and be again permitted to exercise his conscience by voting for democratic measures in the senate, if elected.

Second. That as Mr. Cake has firmly stood for, and manfully defended Statement No. 1 for the past two years, there would be no just cause for republicans to prefer a new convert from the democratic ranks on this question to the exclusion of all other questions of vital importance to the state and nation which will come up during the senatorial term.

Third. That in the light of past history, with legislative holdups, corrupt use of money to "influence" senators and representatives, men seeking election to the legislature on senatorial years to see the fun; special trains running, with all other corrupting influences in connection therewith, thus bringing shame and disgrace on the fair name of our state, our people will never again return to the old system of election by the legislature.

Fourth. That a very large majority of the newspapers in the state are first, last and all the time in favor of the people electing a senator.

Fifth. That nearly every grange in the state has declared by resolution, that they will not support candidates for the legislature who are opposed to election by the people.

Sixth. That it is a republican measure passed by a republican legislature.

Seventh. Nearly every candidate that has announced for the legislature has subscribed to Statement No. 1, at least in modified form, and those who failed had to come back and take their medicine.

Eighth. With 30,000 republican majority behind Mr. Cake, would it be possible for Mr. Chamberlain to jump sideways into the United States senate by using a little soft soap on weak-kneed republicans? We think not.

Ninth. Should Mr. Fulton be nominated, the conditions would be entirely reversed, thus placing Fulton on the defensive instead of Chamberlain which would at least greatly reduce the republican majority.

In view of these facts as we see them, we must say that to our mind, the safest, surest and best thing for republicans to do is to vote for Mr. Cake for United States senator. — Corvallis Gazette.

(Too Late for Last Week.) The surveyors for the Oregon Electric Line set grade stakes on the survey through town last Tuesday so it begins to look like business.

The increasing business of the Cady-Anderson Co. has necessitated the employment of another clerk in their general store at this place and Leslie Moss is filling the bill at present.

While riding to the base ball game at Farmington last Sunday Lewis Neilson of Cooper Mountain fell from his horse and broke his collar bone. Dr. Wood of Hillsboro was called to reduce the fracture.

The 22-months-old child of Claud Davies, a former resident of this place but recently a resident of Portland, was buried at Crescent Grove cemetery Tuesday. A number of relatives and friends from this place were present.

C. E. Hedge has purchased the baseball grounds and it is understood that it will again be placed on the market.

Fry & Thornton sold the property of Mrs. A. M. Gilmer last Tuesday. The name of the purchaser and the price was not learned.

Ed Fitzpatrick of Fruitful Lands addition sold his farm last week for \$2650. Mr. Compton made the sale.

A new real estate office has been erected on the site of the recent fire and is now occupied by Jno. F. Stroud.

Mrs. Jos. Specht has been quite ill during the past week, but at the present writing is improving.

A very pleasant surprise was tendered Master Harold Benjamin last Friday evening at the home of his parents. A very enjoyable evening was spent.

Reduced Rates to Grand Lodge. For the occasion of Grand Lodge A. F. & A. M., and Grand Chapter R. A. Masons of Oregon to be held in Portland, June 8th to 13th, a rate of one and one-third fare on the certificate plan is authorized to Portland and return from all points on the Southern Pacific lines in Oregon, provided fifty or more paying passengers of not less than fifty cents each have been in attendance. Under these conditions, delegates and members of their families, who have paid full fare (regular first class rate) to Portland, will be returned at one-third fare, but in no case less than 25 cents.

Sherwood. Regular Correspondent. Dr. Schroeder, of Tualatin, called here during the week on his return from visiting a patient at Middleton depot. The doctor was not favorably impressed with the fine roads found in this vicinity.

Frank Fischer, of Middleton, is putting in new cross arms and changing the wires on the telephone posts of the mutual company leading out of town in a westerly direction. A general repair of the line is contemplated, including new poles where required.

The Middleton school has been closed for several days past on account of Mrs. Saitus, the principal, being unable to officiate. A severe attack of rheumatism affecting the muscles of the head and neck seems to be the proper diagnosis.

Mrs. Harris Hardin, of Middleton, was called to her old home in Texas last week on account of the serious condition of her father, who, late information states, died before she reached her destination.

Mrs. Russell, wife of Prof. Russell of the Sherwood school, left last week on a visit to friends at Milton. Clarence, the eldest son, has lately become a pedagogue and is employed over in the Banks country, west of Hillsboro.

The opening game of baseball for the season will take place here on the 12th, inst., in a contest between the "White Sox" of Sherwood and the "Spantons" of Portland. The Sherwood string band will furnish music. Admission to the grounds will be 25 cents.

Mrs. Melzer, wife of Fred Melzer a farmer residing near the German Lutheran church, two miles west of town, is slowly recovering from a severe attack of pneumonia. Numerous cases have appeared here during the past winter.

Chas. Calkins, formerly of this neighborhood but now of Butteville, has quit farming and purchased a steam wood sawing outfit. He has been supplying the Willamette steamers with wood for some time at Butteville.

W. D. Smith, republican candidate for county clerk, was in town Tuesday looking after the interests of his candidacy in this precinct. The pie counter is drawing daily nearer to a portion, at least, of political aspirants, and the race must be won by the swift and the strong.

Lord Lovelace

Race Record 2:10

Was the fastest horse, either trotter or pacer, on the North Pacific Circuit in 1906, and was also the largest money winner of any horse, either trotter or pacer, in said year, pacing two races a week in every week throughout the entire circuit and losing only two heats, and is considered by expert horsemen to be one of the leading pacers in America. He not only comes from a racing family, but is without question, the greatest racing pacer ever bred in Oregon; he is the only horse, either trotter or pacer, to have been bred, raised and raced in Oregon to the record of 2:10.

After being three days and three nights in a car, he was taken out of the car and immediately started in a race where he forced "Sherlock Holmes" to pace to the record time of 2:06 in order to beat him. He is not only a horse of remarkable speed and gameness, but is so consistent and reliable that he has never made but one break in a racing career of three years; his disposition is such that any child or woman can drive him.

He is sired by "Lovelace," one of the greatest three year old trotters in America in 1894, he being by "Egotist," he being by "Electioneer," the greatest of all trotting sires living or dead. "Lord Lovelace's" dam is "Maggie," a full sister to "Rosie C," 2:16, the dam of "Prince Direct," record, 2:07 single, and 2
