

Hillsboro Independent.

D. W. BATH, Editor and Proprietor.
MAY 1, 1908.

A stitch today may save a rip to-morrow.

Let somebody else light the kitchen with Kerosene.

An hour of thinking is oftentimes better than an hour of hustling.

DeWitt's Little Early Risers are small, safe, sure and gentle little pills. Sold by all druggists.

Insist upon DeWitt's Witch Hazel Salve. It is especially good for piles. Sold by all druggists.

Happy is he who knows how to get along with all he can get and how to do without all he can not get.

Woman, if you have a good husband, make the most of him; you may never have another as good as John.

Prompt and regular settlements are commendable from every point of view. Even the weather settles every few days.

This is the season when farmers are obliged to make everybody and everything hustle. They even work the butter.

The middleman is all right in his place. It is when he reaches out and tries to overlap both ends that he becomes offensive.

A good coat-hanger can be made of a barrel hoop sawed in half. Smooth the ends and pass a cord, by which to hang it, through a hole bored in the middle.

Plan to be around when the wash tub is to be emptied on Monday, add give your wife a lift. She will thank you for it, and the world will be brighter for you both.

Kennedy's Laxative Cough Syrup does not constipate, but on the other hand its laxative principles gently move the bowels. Children like it. Sold by all druggists.

Occupying a \$1500 pew in a fashionable church while living and a \$15,000 vault in an aristocratic cemetery when dead, will not admit one to the kingdom of heaven.

Kodol completely digests all classes of food. It will get right at the trouble and do the very work itself for the stomach. It is pleasant to take. Sold by all druggists.

There is nothing mean or narrow about the American hen. She cackles for all, and last year she supplied Cuba with a million dollars' worth of prime eggs, to say nothing of the enormous quantities sent to England and other countries.

In spite of all the restrictive legislation, oleomargarine still maintains its hold in the trade, and out of 116 samples of butter analyzed by the Pennsylvania Food Commissioner 18 were oleomargarine and all of them colored with coal-tar dye.—National Tribune.

When your food seems to nauseate take Kodol. Take Kodol now and until you are right again. There isn't any doubt about what it will do and you will find the truth of this statement verified after you have used Kodol for a few weeks. It is sold here by all druggists.

Remedy for aphid or plant lice: These tiny black, green or red insects are easily killed by using a strong solution of tobacco in water. Or kerosene emulsion, or whole oil soap solution. Apply remedy early when lice first hatch out and before they are hidden by the curl of infested leaves.

Mr. John Riha of Vining, Ia., says: "I have been selling DeWitt's Kidney and Bladder Pills for about a year and they give better satisfaction than any pill I ever sold." Sold by all druggists.

In coating seed corn with coal tar as a protection against crows and blackbirds, put the grain into a pail and pour on enough warm water to cover it. It Reached the Spot.

Mr. E. Humphrey, who owns a large general store at Omega, O., was in possession of the *Delta County Telephone Co.*, of Pike County O., says of Dr. Kings New Discovery: "It saved my life once. At least I think it did. It seemed to reach the spot—the very seat of my cough,—when everything else failed." Dr. King's New Discovery not only reaches the cough spot; it heats the sore spots and the weak spots in throat, lungs and chest. Sold under guarantee at the Delta Drug Store. 50c and \$1.00. Trial bottle free.

Some of those dainty housekeepers who wonder why the farmer's wife spends so much time over the frying pan and the oven, have had no experience with appetites that have been whittled by hours of following the plow or cultivator. A man who has been afield all day does not want to sit down at a table on which there is nothing more substantial than sardine sandwiches and angel cake.

The World's Best Climate.

Is not entirely free from disease, on the high elevations fevers prevail, while on the lower levels malaria is encountered to a greater or less extent, according to altitude. Mayor Ezra S. Meals of Harrisburg, Pa., has ordered the Police department to see that drunken men are helped to their homes instead of being arrested, and to compel the saloon proprietors to take care of the men found drunk in or near their saloons. Mayor Meals holds that it is not right to send these men to the lockup so long as they are not troubling any one. Of course the criminal drunks will be dealt with summarily and the habitual drunkards will be sent to jail to sober up, after which the mayor will take them in hand personally and give them a chance to get hold of themselves. He goes on the theory that drunkenness is a disease. Whenever a man is taken home the fact will be recorded for future reference.

Seems odd, but it is a fact, that the stuff of the coffee is made of nature that follows what is known as chrome tanning are the same kind of a comfortable, flexible covering for the feet that kid gloves are for the hands. There is quite a romance in the development of the process, says Leslie's Weekly. The spending of a fortune was involved in the discovery and perfecting of chrome tanning, and one inventor who lived and worked in the home of his widowed mother sold the furniture piece by piece to secure more money for his experiments after his fortune had been exhausted. The sympathetic help and advice of the girl who later became his wife were the sustaining influences that finally brought success after years of discouragement.

A Californian's Luck.

"The luckiest day of my life was when I bought a box of Bucklen's Arnica Salve," writes Charles F. Budahn, of Tracy, California. "Two 25c boxes cured me of an annoying case of itching piles, which had troubled me for years and that yielded to no other treatment." Sold under guarantee at the Delta Drug Store.

He had been calling on the young lady for many moons, but being bashful, his suit progressed slowly. Finally she decided it was up to her to start something, so the next time he called she pointed to the rose in the buttonhole of his coat and said: "I'll give you a kiss for that rose." A large, open-face blush meandered over his countenance, but the exchange was made. Then he grabbed his hat and started to leave the room. "Why, where are you going?" she asked in surprise. "To the—er florist for more roses," he exclaimed.

Valued Same as Gold.

B. G. Stuart, a merchant of Cedar View, Miss., says: "I tell my customers when they buy a box of Dr. King's New Life Pills they get the worth of that much gold in weight, if afflicted with constipation, malaria or biliousness." Sold under guarantee at the Delta Drug Store. 25c.

In the Connecticut River Valley, land which at one time went begging for buyers is now a gold mine, paying its owners so much that they can afford to spend on every acre of it \$50 or more a year merely in fertilizer. "This \$50 for fertilizing is often quite as much as the actual price of the land itself. Tobacco is really an extraordinary crop. It can be grown almost all over the world. Yet it will be an essentially different plant in each country. It is as sensitive to its environment as if it were a vegetable chameleon. Everything about it, its texture, its color, its flavor, depends on the soil it grows in. Two totally different varieties of tobacco can be produced within a few feet of each other. If a streak of light, sandy soil runs close to heavier clay soil a leaf suitable for wrappers comes from the first, while the second produces the filler.

Portland and Return, 90c.

From now until further notice round trip tickets from Hillsboro to Portland and return, will be sold at 90 cents, good on Saturday 1:43 p. m. and Sunday trains, and returning on any Sunday or Monday train.

Wm. McMURRAY, G. P. A.
