preme Court in Cole v. Elwood Power Company, 65 Atlantic Reporter, 678, notice to produce the original, was noticed some time ago in these columns. The doctrine announced in this case now receives further support in the decision by the Supreme Court of Minne vester Company v. Elfstrom, 112 Northwestern Reporter, 252.

Though it is generally held that a person extradited for one offense cannot be tried for another offense committed prior to his extradition, unless he be given time to return to the coun-try from which he was extradited, the Supreme Court of California in Ex parte Collins, 90 Pacific Reporter, 827, olds that this rule does not apply with reference to a crime committed by a person after his extradition. For such rime he may be tried without being given an opportunity to return to the

try from which he was extradited. Where a purchaser is induced to enter into a contract of purchase by a fraudulent representation that a combination or trust is about to be formed for the purpose of controlling the sale of articles of the nature of those purchased, and that such trust will increase the price of such articles after t given time, this is sufficient to prevent a recovery for the purchaser's re-Pennsylvania Supreme Court in Stand-"The Black Bag" is now the leading and Interlock Elevator Company v.

In United States v. Battle, 154 Federal Reporter, 540, Judge Speer, of the acquired by the United States, and George Wyndham, the ex-chief secre- ceded to it by the State of Georgia for the scout Attentive. The torpedo-boat-destroyer Ribble also was in-out of us all." It is an interesting fact that the fory to punish crimes committed there-

New York Evening Post he was supposed by many to lack a sense of humor. But those in his employ who stood close to him knew better. One norning he sent for his young city

ditor. "Last night," said Mr. Godkin, "I end in the Post an account of the sulcide of a boy. Your news paragraph eported the motive that the boy was seing resisted at home in a premature pelination to marry. Mr. Blank, can on imagine how that father felt when you accused him, for what was no doubt done in a sense of loving duty.

The young city editor stammered an

apology. "Thank you for your explanation," more decided tone, "if anything like

Honorable Youth.

"Here, you, sir!" cried Miss Roxiey's angry papa, "how dare you show your face here again?" "Well," replied young Nervey, "I might have worn a mask, of course, but

A man who keeps the sheriff behind bim, and never allows the doctors to come seeg him, is doing very well.
