Dr. A. B. Bailey has a new Maxwell automobile and it holds over anything in the light roadster line seen in this section. Besides being a thing of beauty, it "gits there" after the most approved style.

With the saloon element supporting Chamberlain to a man because he is a "good fellow," the temperance people have ample motive to think several times before giving him their votes. — Myrtle Point Enterprise.

Last Monday Dr. Tamiesie was called to dress a bad injury for the 14-year-old son of Mr. Fessler. The lad was speeding his bicycle on the sidewalk along side of a barbed-wire fence, when a barb caught in his hand, tearing his little finger terribly and breaking the bone.

The bells of the city churches will be rung on election day to remind people to come out and vote for a "dry" county. By the way, the weak-kneed individual who talks "dry" but votes "wet," may be reminded that some 1900 years ago the cock crowed thrice for the benefit of another weak-kneed individual.

Dr. Wm. D. Wood is the republican primary candidate for senator. He is eminently fitted to fill the position and will undoubtedly be elected by a large majority. He is favorably known to almost every man, woman and child in Washington county, is popular at home and abroad, and it is a foregone conclusion that he is a winner next Monday.

Ladies' embroidered white wash belts at Baird's.

Mrs. Julia Reeves of this city went to Pendleton Wednesday to be present at the high school and business college graduating exercises, which were held in that city last night. Her son Orvil, who has taken a thorough course in that institution, graduated with high honor, which was a source of much joy to his mother. Mr. Reeves has been editor of the college paper for two years, and during the past year has been its editor-in-chief.

The W. O. W. held its annual picnic in Shute Park in this city last Saturday, several hundred persons being present. The day was spent in playing games and having a good time. The festivities closed with a well attended dance in the evening.

Don't forget number 43. It stands for a good man, a competent man, and a mighty good citizen, who if elected will make the kind of a county clerk this county has had for the past four years. A continuance of a good thing is desirable at all times. Pass it along.

The rodents became so numerous about the college grounds, that something had to be done, and Allen, remembering his luck at catching the burrowing animals when a lad on his father's farm at Beaverton, volunteered to rid the campus of the pests.

G. W. Barnes is the republican candidate for justice of the peace for North and South Hillsboro and should get the solid vote of that party. C. students from Washington county will be there, and it is expected that at least 1200 people will take the special train at Corvallis that morning.

Don't forget to put an X next to the name of John McClaran for county commissioner. He is the republicans' choice, a staunch republican, a prosperous farmer and understands thoroughly the needs of Washington county. If elected he will show no partiality and use every portion of the county fair and square, and use economy and honesty in all his official transactions. Mr. McClaran is a good man for the taxpayers to tie to. His number is 52.

If Charles Hines, of Forest Grove, is elected representative, he will give this district dignity and good service. He is a man with a personality that demands respect and when a measure for the good of Washington county is brought up at Salem he is the man that will carry it through. He asks for your support next Monday, and deserves it. His number is 35.

Mrs. Gertie Lincoln, a sister of Mrs. Sample and Mrs. John Hensley, and a daughter of Mrs. Pooley, all of this city, died last Saturday evening. She came here about five weeks ago to visit relatives and was taken sick and died as stated. Her husband, who was in Canada, has been notified and is now on his way here to attend the funeral, the body having been embalmed and held until his arrival.

Grade stakes are driven on Washington street for the new electric line and dirt will be flying in a very few days. Most of the piles are driven for the Main street crossing and there is activity all along the line to Garden Home. Just mark this prediction: Cars will be running into Beaverton over the Oregon Electric Co.'s line by July 4th, and cars running into this city by September 1st, or shortly after. Make this an attraction for the big Fourth of July celebration in Hillsboro and it will be a winner.

Wanted.—Young man to do view and scenic work. Call on Pope, the photographer.

R. F. Rutherford, H. T. Bagley, W. P. Dyke, and Benton Bowman spoke to a large audience at Crescent Theatre last Friday night on the local option question. The speakers confined themselves chiefly to the financial part of the question and showed conclusively that saloons did no good to a community and cited McMinnville, Corvallis and other cities as evidence. Mr. Bagley's speech was right to the point, full of facts, and this being his home and he a personal friend of most of the large crowd present, his words sank home and were received with applause. He spoke at Scholls last night and at Kinton tonight.

They Favor Prohibition. A letter has been received and is in circulation in this city, signed by seventy-nine business men of McMinnville, in which they declare that they are pleased with the present conditions and prosperity without saloons in that city and declare that they desire no saloons in the future.

Every business man in town who could be found was given a chance to sign the statement, and the net result of names shows over 75 per cent of all called on. Quite a number who did not sign it expressed themselves satisfied with the present law and stated that they were going to vote against the saloons.

North Carolina for Prohibition. Raleigh, N. C., May 25.—North Carolina was carried for statewide prohibition today by a majority estimated at 40,000 to 42,000. The prohibition ticket has carried 78 counties out of the 98 counties by overwhelming majorities, and has carried twenty counties by majorities approximating 5600. The election passed off very quietly, no disturbance of any importance being reported.

Every large town in the state except Wilmington and Durham went prohibition.

Death of Mrs. James McClaran. Mrs. Matilda McClaran, wife of James McClaran, whose maiden name was Miss Matilda Reynolds, was born in Owens county, Indiana, June 14, 1839, and moved with her parents to Iowa at the age of 16. When 21 years old she was married to James McClaran in Guthrie county, Iowa, September 25, 1856.

On May 14, 1863, they left Iowa by ox train and crossed the plains to Oregon, arriving in Washington county October 3, 1863, where she lived continuously until her death, which occurred May 23, 1908, at the age of 72 years, 11 months and 9 days. She leaves her husband and the following children to mourn her loss: John McClaran of Gales Creek, Mrs. Mary Petersen of The Dalles, Mrs. Jane Hiatt of Raymond, Wash.; Mrs. Margaret Ihr, of Timber, Ore.

Mrs. McClaran united with the United Brethren church at the age of 14, and lived a true Christian life continuously. Her departure is regretted by many sincere friends, whose sympathy goes out to the bereaved husband and children.

Card of Thanks. We wish to extend our heartfelt thanks to our friends and neighbors who lent their kind assistance during the illness and death of our wife and mother. And also to thank all for the beautiful floral offerings.

James McClaran and Family.

Basket Social. The Reedville Band boys gave a concert and basket social at the Frank & Borwick hall at Reedville, May 22. A large crowd was in attendance, many having to stand. The boys rendered several selections and Claude Johnson was the hero of a comic drama. After the much enjoyed program, some forty baskets were auctioned off. John Mead, of West Union, acted in the capacity of auctioneer and the baskets, which were beautiful, were easy to dispose of. J. W. Powell, of Hillsboro, and band master, paid the highest price, which was \$5. The total amount received was \$71.50, which is to go towards band uniforms. This is a young band, having been organized barely a year, and consists of fifteen pieces. A good band is a valuable acquisition to any community and should receive the hearty support of all.

E. L. McCormick
FOR
County Clerk.
VOTE for Him.

Gov. Chamberlain addressed a good sized crowd at the court house yesterday afternoon, and of course informed his republican hearers that it was their duty to send him to congress instead of a good, able and republican-nominated man. He may have made a few votes, but it is very doubtful. Chamberlain as a candidate for governor is one thing, and Chamberlain for congress is an entirely different proposition. There will be a terrible snow storm in his vicinity June 1st.
