#### WORK OF BOYS.

Youthful Robbers Confess to Holding Up Great Northern.

Great Falls, Mont, June 2.—The hold-up of the northbound Great Northern train at the stockyards, bout a mile and a half from this city, was the work of three boys, who

cow porumy rells in the city iail. A courth yours, who admirs mixing assisted in planning the hold-up, but who took no active part, is also a prisoner. The quaret have made complete confession to the police. The names of the four boys are: Albert Hatch, aged 15; William Randall, aged 17; Harry Rheams, aged 15, and

George Cresswell, aged 16.
According to the story told by Randall. Rheams and Cresswell, the holdup was planned and carried out under the generalship of Hatch, the youngest of the four, who is said to have turned the switch, ordered the engineer to back up and to have gone through the passenger coaches with the conductor, forcing the latter at he point of a gun to collect from the passengers. According to the other boys, it was also Hatch who shot. William Dempsey and narrowly missed shooting Conductor Jack

liayes. Rheams stated that Hatch, after they had left the scene of the hold-The employment of union men as up, proposed that they cross Sun river to the Montana Central line and ld up passenger train No. 236 from which was due in two or three ours, Because he demurred, Rheams tates, Hatch drew his revolver and I

breatened to kill him. He was dissuaded from the second ttempt at train robbery by the two

WILL CEMENT CANAL

State Railroad Commission Has Fancy Seepage Causes Washout on Umatilla was a Manager and Language or an account of the Language of the comme

Pendleton.-A section of the main Salem, Or., May 26.-An investigation has been started by the railroad commission regarding express rates enforced by the Wells. Fargo and the
Pacific express companies in Oregon.
Some startling revelations have been age water, which has constantly brought to light that will likely de-mand the attention of the commission that point. The O. R. & N. track is within a few feet of the canal at that point, and the grade has been softened ing the relative charges on lines in Oror about half a mile by the seepage. eron and the charges in other states for The government engineers have desimilar distances and for the same class cided to cement a section of the canal of goods. From Portland to Siskiyou, there. It is estimated it will cost a distance of 385 miles, the Wells- \$21,100 to complete the cement work Fargo express company charges a mer-chandise rate of \$2.75 for 100 pounds, while for the same distance in Missouri a rate has been established by the Missouri railroad commission, which is now in force, of \$2 for 100 pounds. The run slowly over the place for some in Texas for a sim- the O R & N track. Water will be turned off the feed canal while the repairs are in progress.

#### Posse Chases Horsethieves.

tant according to the figures given out by the railroad commission. The Pacific express complany operates out of
Portland east over the O. R. & N. For
440 miles over the O. R. & N., from
Portland to Huntington, the general
merchandise rate for 100 pounds is \$4. merchandise rate for 100 pounds is \$4. For 358 miles, or the same distance for which the Wells-Fargo charges \$2.75 in Western Oregon, the Pacific express company in Eastern Oregon charges In the last few weeks many report having lost horses, and there is a ru-mor that the gang sent up from Mal-Missouri and Texas, the rates of the heur some time ago and later par-Pacific express company are extreme. For 440 miles in Missouri the general loned by Governor Chamberiain has ompleted a new organization, and is merchandise express rate is \$2.10 and operating in the same manner they in Texas it is \$2.30. In both these states the rates have been fixed by railroad commissions and have been acwere a few years ago, when the taxpayers of eastern Oregon spent much oney and effort to capture them.

#### Umatilla Wool Sale.

Pendleton.-Umatilla county wool to the amount of 1,500,000 pounds was sold in this city and Pilot Rock last Secretary of State Shows Growth and Present Status of Business.

Salem.—Frank Benson, secretary of tate, as ex officio insurance commissioner, has completed his annual re-Secretary of State Shows Growth and port. It is now being printed and will be available within a few weeks. The report includes a statement of the total risks written by all insurance comprice. The average price paid for the wool sold in the county so far is 11 1-a cents per pound.

#### Coos Finds Oil.

Marshfield-The stir over oil in loos county, successfully held down or several weeks past, has reached he stage that facts cannot longer be nation the report shows the aggregate kept from the public. Oil men have ousiness transacted within the state been here on investigating missions, since 1805; the amount of licenses and and corporations and individuals have taxes paid into the state treasury since quietly been taking options for sevral weeks. Actual crude oil has been truck near Bandon, and gas has been ncountered in many places. Around Coos Bay indications are sufficiently strong to warrant large options and extensive preparations for borings.

# to General Manager J. P. O'Brien, of the O. R. & N. company, he has received the long-expected instructions from by the owners, Fred Melhase and John
