A Worthy Society.

The city board of Charities has made arrangements that will insure assistance to all persons who may be so unfortunate as to need help throughout the winter months. The move will undoubtedly be seconded by the liberality of Hillsboro's citizens. With Mrs. J. J. Morgan, president, Mrs. Dennis, vice-president, Mrs. Deichman, secretary, and Mrs. L. Bill as treasurer, insures careful management and distribution of any and all supplies which may be placed to their care. There are always many who are ready to help the needy, and a relief committee, composed of Mesdames, Wm. Thorne, Judge Crandall, J. W. Masters, Rufus Wagner, and J. C. Launkin, is sufficient warrant that all who are needy will be found and assisted as far as possible. The board of trustees have kindly granted the ladies the use of some rooms in the city hall, where they will hear all applications for aid on Friday of each week, between the hours of 1 and 4 p. m. Here will also be the base of supplies. Any one having contributions, whether money or otherwise, should hand them in as early as noon of each Friday, or leave them at any of Hillsboro's stores. The board confidently expects that all calls for aid will be promptly met, as Hillsboro is never lacking in true generosity. Liberal donations of provisions and other useful articles are requested.

A Neat Speech.

Senator Huston made a neat and forcible speech Tuesday when he nominated Judge A. S. Bennett, of The Dalles, for United States senator. He dwelt with considerable emphasis on Dolph's connections with corporations and scored the Dolph supporters for having the bankers from every part of the state lobbying to force an election. Mr. Huston dwelt on the democratic minority and contended that no necessity for caucus was, under the circumstances, not an unpleasant thing. He made a strong plea for the support of a man who was not controlled by the bankers of Wall Street and the Rothschilds.

Preserve This Paper.

THE ARGUS has made special arrangements with Palmer & Rey, a Portland publishing house, to have cuts of our present state officers inserted in its columns. On another page will be found their portraits. If the readers will file this copy away they may sometime have use for it. The body of Charles Tittle was found last Thursday and buried Friday. Funeral services were conducted at the school house by Rev. A. Rodgers, of Forest Grove, a large concourse attending. Charles was quiet gentlemanly and kind-hearted and all regret his untimely loss of life. He was aged 13 years, 1 month and 27 days. The recovery of his gun indicates that he was drowned at the flood gate near Asa Williams' home.

Last Friday John McNamee killed and dressed a cow for Jesse Moore. In her maw was found 3 ten cent pieces with holes in them—the moral is plain) 1 nickel, 1 copper cent, 20 s. d. nails, 23 6-ds, 15 4-ds, 1 1/2 in. screw, some pieces of dishes and numerous other articles she had swallowed. She was fat and healthy when butchered.

FREE COINAGE OF SILVER.

The free and unlimited coinage of silver, the product of American mines, at the old ratio of 16 of silver to 1 of gold, is the only solution of and remedy for the disturbed and unsatisfactory condition of trade, manufacture and general business of the country. The surreptitious act of 1873, divorcing silver and gold in our monetary system, was a crime of untold magnitude. It was the rankest kind of class legislation in favor of the wealthy against the producers of wealth, and hostile to the prosperity of the United States. It was an act of treason because done at the instance of a European syndicate and for bribe money, "giving aid and comfort to our country's enemies." To shield the guilty parties, the well authenticated facts, often published, have been vigorously denied.

The Enquirer will continue to expose this unpardonable crime until right and justice are done the people by the full restoration of silver to its old companionship with gold. We need the assistance of the people in disseminating the truth, to which end we invite all in your selection of papers for the coming season to include the Enquirer, that costs only \$1.00 a year. (Issued twice a week.)

Liberal commissions and cash rewards given to club raisers. Sample copies free. ENQUIRER COMPANY, Cincinnati, O.

BLOOD SYRUP.

Is your blood at all out of order, or in the least degree contaminated with any poisonous ingredients? Such a thing is always liable to happen to any one. The blood is constantly subjected to insidious attacks, and to maintain its purity you must be ever on your guard. A blood tonic is as necessary to the system as a tonic for the nerves. To neglect the precaution of its use is to incur the risk of the blood becoming so far contaminated that the general health will become seriously if not dangerously impaired. Blood tells. Make your blood always tell a story of good health by using our Fruitlax Blood Syrup. We also have Oregon Blood Purifier and Syrup of Figs.

Nothing in This World

Is so cheap as a newspaper, whether it be measured by the cost of its production or by its value to the consumer. We are talking about an American, metropolitan, daily paper of the first class like THE CHICAGO RECORD. It's so cheap and so good you can't afford in this day of progress to be without it. There are other papers possibly as good, but none better, and none just like it. It prints all the real news of the world—the news you care for—every day, and prints it in the shortest possible space. You can read THE CHICAGO RECORD and do a day's work too. It is an independent paper and gives all political news free from the taint of party bias. In a word—it's a complete, condensed, clean, honest family newspaper, and it has the largest morning circulation in Chicago or the west—125,000 to 140,000 a day.

Prof. J. T. Hatfield of the Northwestern University says: "THE CHICAGO RECORD comes as near being the ideal daily journal as we are for some time likely to find on these mortal shores."

Sold by newsdealers everywhere, and subscriptions received by all postmasters. Address THE CHICAGO RECORD, 181 Madison-st.
