FREE COINAGE OF SILVER.

The free and unlimited coinage of tilver, the product of American mines, t the old ratio of 16 of silver to 1 of jold, is the only solution of and emedy for the disturbed and unsatisactory condition of trade, manufacire and general business of the couny. The surreptitious act of 1873, ivercing silver and gold in our mone ary system, was a crime of untold nagnitude. It was the rankest kind of class legislation in favor of the wealthy against the producers of realth, and hostile to the prosperity of the United States. It was an act of treason because done at the instance of a European syndicate and for bribe money, "giving aid and comfort to our country's enemies." To shield to take the carriage he put in an will appreciate our hospitality and the guilty parties, the well authenti vigorously denied.

The Enquirer will continue to expose this unpardonable crime untiright and justice are done the people by the full restoration of silver to its old companionship with gold. We
