DOE SHOWS THAT RED SOX SHOULD BE EASY WINNERS

New York, Oct. 4.—With the World Series tie ball hanging over his head, Manager Joe McCarthy will have the Red Sox in red and green tomorrow night. The White Sox, who made a mess of things last year, now are thoroughly prepared, there was a world of difference between the teams in the World Series this year.

While the Red Sox have scored 5 runs in 3 chances, the White Sox have scored 5 runs in 1 chance. The White Sox have scored on a single and a fly. The Red Sox have scored twice on singles, and once on a double. The Red Sox have scored once on a double, and once on a double.

The Red Sox entered the pennant with a heart full of hope. They have the talent to play the game. But they have never really been in it before. The White Sox have been in it before, but they haven't really been in it before. The White Sox have been in it before, but they haven't really been in it before.
