and will continue until the entire stock of C. P. BISHOP & CO. is closed out

The closing out of the C. P. Bishop & Co. stock offers extraordinary advantages in many ways. For this fine clothing shop was but seven years old. And the decision to sell it out was so sudden that thousands of dollars' worth of Spring goods were already in—many of them never even taken out of their wrappings. It is this fine stock—fresh, new and chosen with utmost discrimination—that we shall sell at wholesale or less.
