

MIDDLE WEST MAY SEE T. R. ON STUMP

Oyster Bay, N. Y., April 24.—Colonel Roosevelt may reconsider his plans not to stump the middle west before the national convention, it was hinted today.

Should a whirlwind tour of Iowa, Nebraska and other states revive the old Roosevelt demonstrations, the colonel might enter Chicago at a dramatic moment when the stage is set for the choice of a republican progressive leader, his friends said.

Some friends said that Roosevelt might accept the challenge and to carry on a preparedness campaign in a whirlwind tour.

AMERICANS WILL GO TO HOLLAND

The Hague, April 24.—Many Americans are preparing to close their affairs and leave Germany on two-days' notice if diplomatic relations with the United States are severed, it is known today.

There has been no exodus of Americans since the latest submarine crisis developed. Several Americans have postponed going to Berlin pending the outcome of the recent events.

German-American excitement is apparently subsiding. The feeling is growing that Germany will either yield immediately, or maneuver to prevent an early rupture in diplomatic relations.

A SPRING RENEWAL.

How to Utilize a Castoff Feather Bed by Making Pillows of It.

A few women are fortunate in having inherited a number of old bed pillows and bolsters, and there is nothing like old fashioned feathers for dividing up into filling for sofa pillows while they last.

However, not every one is so fortunate as to have accumulated the feathered bed coverings of her ancestors, and then it is found that to buy new feathers is expensive.

How to Make Attractive Luncheon Sets to Replace a Burden.

Many of the new luncheon sets are square instead of round. Whether it is merely a passing fad or a fashion here to stay remains to be seen.

Swedish weaving is another form of needlework being revived and is applied to household linens. It is really based on drawnwork, but is slightly different, worked in color and quite simple.

More Appropriate. Sir George Alexander's original name was Samson before he went on the stage, and apropos of this fact a good story is told.

"By the way, Alexander isn't his right name, is it?" inquired the friend. "No," said the manager. "It used to be Samson. It was a pity to change the name of Samson to Alexander."

"Oh, but Alexander conquered the world, you know!" laughed the other. "Yes," answered the manager, "but Samson is a more appropriate theatrical name. Have you forgotten that Samson was the first man who brought down the house?"—London Mail.

Weish Red Indians. Eight or nine hundred years ago a band of adventurous Welshmen landed on the American coast and planted a colony. They never went back, and, according to Mr. James McLaughlin in "My Friend the Indian," became in some sort the ancestors of a tribe of Indians, the Mandans are thought by some writers to be the descendants of the lost Welshmen.

How to Test an Oven Before You Burn Your Cake.

Test your oven before putting in the cake by throwing on the bottom a spoonful of dry flour. If the flour takes fire or quickly turns dark brown color the oven's temperature is too high, and you should allow the oven to cool a little.
