

Why Spend your Money, — — "with a Spade"?

THRIFT does not mean Penuriousness! Its first principle consists in getting FULL VALUE for each Dollar of Income expended. Getting less is not complimentary to the intelligence of even a Millionaire. Being liberal and generous, in affairs where it is proper and deliberate to be so, differs widely from being *thrifless, thoughtless and careless* in buying things, on a business basis. A habit of "Jumping at Conclusions," instead of *Thinking out* these Conclusions, costs many a man a lifetime of Un-success.

TOO many Americans indolently act upon the shallow theory that an article "must be" WORTH more, merely because it *Costs* more. They are thus taxed a heavy price, all through life, for such an *indolent* habit of Thought. They work hard, industriously and intelligently, to *acquire* money. Then (for their personal needs) they "Spend it with a Spade." Is this complimentary to the judgment of even the Wealthiest? Do people become Wealthy who acquire the careless HABIT of "Spending Money," instead of intelligent, thoughtful BUYING with it?

MONEY cannot make BETTER Fabric Tires, — at ANY price, — than Goodrich 47-Year Experience, — 300,000,000 lbs. Purchasing-Power, and Deliberate Intention, are now producing. No Rubber Concern in the world could afford to offer the low Fair-List Prices here quoted, on Fabric Tires (for such HIGH quality) without the enormous Goodrich VOLUME, which so *reduces* Cost as to make these *lowest* prices possible. When, therefore, you pay MORE than these Goodrich Fair-List prices for ANY Fabric Tire, you are NOT getting "better" Tires.

CLAIM GERMAN SUBMARINE HAS ARRIVED IN U. S.

New York, July 1.—According to the Trans-Atlantic Trust company, unofficial fiscal agent in the United States for Austria-Hungary, the German submarine long reported en route to the United States has actually arrived and is now concealed

somewhere in Chesapeake bay. The announcement was made in an advertisement inserted in a Hungarian newspaper today offering to transmit money to Hungary via the vessel. According to this ad the U boat arrived from Hamburg at a point near Baltimore Thursday morning. Officials of the bank refused to discuss the matter, intimating that sec-

recy as to the undersea boat's hiding place was necessary in order that there should be no clash with the American government over its status.

AUSTRIANS DROP AIR BOMBS UPON UDINE

Social

Indoor Picnic

One of the most pleasant functions of the week was enjoyed by a party of eight at the home of Mr. and Mrs. George Cavey, on B street, Wednesday evening, June 27, the birthday anniversary of the guest of honor, Miss Francis Gilfillan. Although the entertainment was planned to be in the form of a picnic, those in charge were soon forced to concede to the declaration of the elements that the evening should be spent indoors. Leaves, evergreen boughs, and a profusion of beautiful flowers effectively used in decoration gave a characteristic outdoor appearance to the scene of happy revelry. Those present were Miss Francis Gilfillan, Miss Minnie Reymers, Mr. and Mrs. Frank Huyler, Miss Dorothy Gilfillan, Messrs Chas. Counts, Clarence Wendell, Earl Webb, and the host and hostess, Mr. and Mrs. Cavey. Seated on downy cushions round the cover laid on the heavy bed of leaves the companionable crowd did full justice to the delicious luncheon which had been prepared by Mrs. Prescott, and which consisted of fried chicken, sandwiches, salad, saratoga chips, olives, cheese, ice cream, cake and coffee, served picnic style. A feature of the luncheon was the birthday cake with its candied roses.

An early fourth of July celebration was enjoyed by the jolly party when they met the ten thirty train to bid farewell to the Oregon troopers enroute to the south. After returning to the Cavey home they toasted marshmallows and enjoyed card games.

Social Afternoon

Mrs. Winetrot, assisted by Mrs. Miller, Mrs. Ernest Crouch, Mrs. Albert Evenson and Mrs. Lewis, was pleasing hostess at the entertainment given at the Spa parlors Tuesday afternoon, June 26, by the Spazetta club, to a number of out-of-town ladies. Among the guests of honor were Mrs. Richard Allen, of Placer; Mrs. Cardwell, of Applegate, and Mrs. Davis, of Provoit. Others present were Mrs. Eclis Pollock, Mrs. Tom Fry, Mrs. Marie Jordan, Mrs. John Summers, Mrs. Murphy, Mrs. Mercer, Mrs. Charles Gray, and the Misses Norma Sweetland, Irene Mercer and Estelle Davidson.

Box Social

Riverside park was the scene of high revelry the evening of June 27, when friends and members of the Epworth league, the young people's society of the Methodist church, became the excited bidders of the auction held over the many attractive boxes of luncheons which had had careful preparation by the young ladies of the crowd. Despite the stupendous prices, the reckless bidders were soon in possession of the tempting baskets and before long the many daintily prepared goodies had disappeared. After enjoying a few games and other amusements on the lawn, the young people accepted the kind invitation of Donald Graham to spend the closing hours of the evening at his home on North Sixth street. Here, under the spell of Victrola music, jollification reigned until a late hour. Among the party were the Misses Esther Gilkey, Helen Fifield, Winifred Fifield, Ivah Day, Ulda Basler, Florence Riddle, Vivian Isham, Florence Bocock, Eleanor Bocock, Evelyn Taggart, Mildred Taggart, Marguerite Wible, Alice Randle, Lynn Sabin, Winifred Gilkey, Hiram Harmon, Paul Day, Lester Day, James Martin and Don Graham.

Miss Pinkerton Is Guest of Honor

Japanese lanterns gave an added touch of beauty to the Bobzien home on North Eighth street on the evening of June 30 when a number of the oldest and most intimate Grants Pass friends of Miss Mary Louise Pinkerton gathered to enjoy a delightful and informal evening in the form of a farewell to the guest of honor who leaves soon for the east.

Outdoor games were enjoyed on the lawn and later in the evening a number of indoor amusements created a great deal of lively interest for the jolly crowd. Those of the party were the Misses Esther Gilkey, Florence Riddle, Dora Birchard, Ruth Gelsler, Lucille Harter, Gertrude Berry, Grace Presley, Mrs. Pinkerton; Messrs. Lynn Sabin, Winifred Gilkey, Bob Bestal, Jewell Bestal, Garnet Best, Jo Pardee, Ted Birchard, Darwin Ingalls, Wilford Allen, Jr., Willette Murray, Earl Voorhies, and hostesses Miss Ella Anderson and Miss Helen Bobzien.

CALIFORNIA MILITIA GOES TO BORDER

Sacramento, July 1.—Fifteen hundred California troops, the Second regiment of infantry and the First battalion of field artillery, pulled out of Sacramento early today en route for Nogales. The troops were entrained at midnight but the order to move was not given until this morning. Three trains carried the soldiers.

There are still 2,400 California guardsmen at the mobilization camp, the Fifth and Seventh regiments of infantry. The Fifth is expected to entrain sometime today and the Seventh on Sunday or Monday.

The Fifth infantry was preparing to entrain yesterday afternoon, when the order was suddenly given that, for the present, that regiment would remain here. The equipment was forthwith unloaded.

Rain was falling heavily in Sacramento this morning and the camp, heretofore a sea of dust, was made muddy and slippery.

TEN PERSONS SHOT IN BERLIN RIOTING

London, July 1.—Ten persons were shot and 50 arrested in the pro-Liebknecht German riots in Pottsdammer Platz, Berlin, the Amsterdam correspondent of the Central News agency asserted today. Most of the participants were socialists. A guard has been thrown about the platz to prevent similar demonstrations.

The Central News also asserted that 30 socialist organizers who participated in a hunger parade in Liege were arrested and taken to Berlin.

BOMB PLOT AT OAKLAND, CALIF.

Oakland, Cal., July 1.—Police of Richmond today arrested H. V. Churley and Wm. Lwakso on a misdemeanor charge and questioned them concerning the explosion of a bomb which partially wrecked the smoking car of a Southern Pacific train at the 16th street station here last night, injuring 13 men and women. The men denied having anything to do with the outrage. John H. Wilson, of San Francisco, sustained possibly fatal wounds in the blast. Churley is said to have been formerly employed by the Giant Powder company. Three Mexicans are declared to have been responsible for the explosion. They boarded the train at Elmira. Two of them left at Richmond. A third remained until the 16th street station was reached, when he was discovered in the wash room and ejected. Immediately afterward came the explosion. A hole was blown in the side of the car. Passengers were hurled from their seats and buried under debris, where they cried for help.

THE UNIVERSAL CAR

When over half the motor cars in America today—about a million and a quarter—are of one make, there must be a mighty good reason. In every kind of service, under all conditions of road and weather, Ford cars have proved to be the most dependable, economical and efficient servants of men.
