REPUBLICANS ARE ACTIVE.

A business meeting of the Hughes Alliance of Grants Pass, held in the court house last evening, developed that a great deal of interest is being aroused among the Hughes supporters in this district.

The list of delegates to attend the state-wide conference at Portland Thursday was completed, and it is expected that this city will be represented by several delegates.

In order to defray expenses incidental to the campaign for Hughes in this county, a request was made by the Alliance that its members contribute some amount from 25 cents up. A considerable sum was raised among those present at the meeting.

The Alliance resolved to aid the county committee and the state committee in arranging the first political meeting of the season, which will be on October 13, when Hon. A. E. Clark, of Portland, will be the speaker.

A meeting of the county central committee has been called for this evening, at the court house. The nominees for county office are also to meet with the committee, and a vigorous campaign for the entire county ticket will be outlined.

The boys of Grants Pass are about to be organized into a local camp of the Boy Scouts. This organization has done a wonderful amount of good for the youth of the nation.

The machinery at the sugar factory will be started in motion next week, and a few days later the first sack of Grants Pass sugar will be upon the market.

If you have any doubts about the preponderancy of local sentiment in favor of Hughes for president, just note the number of Hughes buttons worn by men and women over the Wilson emblems.

as to reasons for the reported resignations," Sato said. "There was no intimation that the Okuma cabinet anticipated such a step when I left Japan. It is not true that Marquis Okuma did not control the cabinet.

"I can not understand why the resignations should have been offered, for the Okuma cabinet was backed by a strong party organization."

Dr. Sato will be the guest of Seattle's leading public men at a banquet tonight and will leave for Washington tomorrow morning.

Washington, Oct. 3.—Persistent opposition of the Japanese upper, non-elective house of parliament to the policies of Premier Okuma is responsible for his resignation, news of which was cabled from Tokio today.

Okuma's party controlled the majority of the lower house, but a coalition of other parties in the upper house was formed against him. It is said Okuma has for some weeks felt unable to continue the government and face the upper house when it convenes in December.

It is understood the premier has been contemplating resigning for some months and has been waiting for a time when he thought he could arrange a successor from his own party.

Viscount Kato, former minister of foreign affairs under Okuma, and now leader of the latter's party in the lower house, is said to be the candidate of that body and of Okuma for the premiership.

Terauchi, with the title of marshal, has the highest rank in the Japanese army.

Marquis Okuma is 79 years old and has been premier for two and a half years. It is considered likely that his advanced years have something to do with his desire to retire.

20,000 ROUMANIANS CROSS THE DANUBE

London, Oct. 3.—The Roumanian force which invaded Bulgaria Sunday is believed to be moving southward against the important Ruzhuk-Varna railway. The size of the army that crossed the Danube is not known here, but English military critics today declared they believed it was composed of at least 20,000 men.

They pointed out that a smaller force would be pined against the bank of the river by the Bulgars and would meet the same fate as the Roumanian

garrison that attempted to retreat across the river from Tutrakan fortresses.

At the same hour that Roumanians invaded Bulgaria, the Russo-Roumanians in Dobrudja launched a series of heavy attacks, apparently to prevent the Teutons from shifting forces from that region.

Interest in this new phase of the fighting in the Balkans has shifted attention temporarily from the Somme offensive and also from the Russian front, where severe fighting is reported.

Along the Somme rainy weather again hindered operations yesterday.

GERMAN AIRMAN SENDS NOTE TO ANTAGONIST'S FATHER

San Francisco, Oct. 3.—A note from Lieutenant Immelmann, famous German flyer, delivered in Australia, brought Edward Grimwade, Melbourne millionaire, to San Francisco today, on his way to London, where he will seek the release of his son, Frank, from a prison camp in Germany.

Immelmann's note told how Frank, who is a British airman, had engaged the German aviator in a sky duel and how the Englishman, sorely wounded and with his observer dead beside him, brought his aeroplane to the ground, where he was taken prisoner.

Immelmann and his associate German aviators, moved by admiration for their defeated antagonist, risked their lives to deliver a note addressed to Grimwade's father. With shells bursting about them, they flew over the allied lines and dropped the message, which was delivered to the elder Grimwade in Melbourne many weeks later.

He started east this afternoon.

COUNTY AGENT'S NOTES

Fireblight

There are a few cases of fireblight scattered throughout the county. Some of these are apparently dried up, while others are yet active. Unless these infections are all removed and burned there will be some cases that will hold over and develop new infections next spring.

Anthraxnose

If we are going to continue the fruit game in Josephine county, anthracnose must have closer attention than it has had during the past few years. The present price of blue vitriol may appear to offer some excuse for omitting the Bordeaux spray this fall.

We sometimes do not realize the seriousness of this disease, thinking that its evil effects are confined to the tree alone. Such is not the case. In many instances anthracnose will develop in the fruit after it has been in storage for some time and cause serious loss, and consequently a great deal of trouble in adjusting matters between shippers and dealers.

If you are at all troubled with anthracnose do not under any consideration allow the increased price of blue vitriol to keep you from applying the Bordeaux spray this fall. Use the 6-6-50 and put it on just as soon as possible after your picking is done.

ASSETT KAISER HAS MADE APPEAL FOR PEACE

Rome, Oct. 3.—A Zurich dispatch today asserted that the kaiser has personally appealed to President Wilson to end the war, but that the president had refused to intervene at this time.
