SUBMARINE WARFARE

WOULD PROLONG WAR

Berlin, via Sayville, Oct. 13.—"Unrestricted submarine warfare would not hasten the advent of peace, but would further prolong the war," Dr. David, socialist member, told the reichstag during the debate upon the question of submarine warfare and peace.

"The chances for peace at this moment are small," he said. "Our enemies want no 'immature' peace before Germany's annihilation."

HEAR CLARK AND MRS. KENT TONIGHT

The meeting to be addressed by Hon. A. E. Clark, of Portland, at the opera house this evening should be attended by every citizen who is interested in the political situation. Mr. Clark is thoroughly posted upon the issues that are present in the campaign, and added interest will be found in the fact that he can make reply to the claims made by Senator Chamberlain, who was here Wednesday night. Speaking at the Clark meeting will be Mrs. Wm. Kent, of Kentville, California. Mrs. Kent is the wife of the distinguished California congressman, but she carries a different message to the people. Kent is a democrat, and gives his support to Mr. Wilson, but Mrs. Kent is doing her best (and that is mighty good) to maintain a political balance in the family, and she makes a rousing argument for her sex to vote for Hughes.

WOMEN'S SPECIAL DUE TOMORROW

Portland, Oct. 13.—When the special train carrying women campaigning for Charles E. Hughes reaches Portland tomorrow the delegates will find many street corners occupied by Wilson women, urging votes for the president.

The republican program includes speeches from automobiles, mass meetings, public receptions and a parade, all of which will keep the visitors busy for 11 hours.

During that same 11 hours the democratic women will have speakers holding forth at busy points and will conclude their demonstration with a parade of working women at night.

The women's special is due in Portland at 6:30 a. m. Mrs. Raymond Robins, Miss Harriet E. Vittum, of Chicago, Mrs. Henry Moskowitz, of New York, Dr. Katherine B. Davis, of New York, will talk in factories, stores and clubs in the streets. The delegation is to be escorted through the streets by a big crowd of Hughes boosters and the Multnomah Republican club. Hundreds of guests are expected at the reception at the Multnomah hotel.

Miss Mary Antin, the author, will deliver one of the principal addresses at the Neighborhood house in South Portland. A big rally is scheduled for the Eleventh street theater.

Leaving Portland at 5:30 p. m., the special is due in Salem at 7:30. There will be a mass meeting in the armory there at 8 p. m. The next stop is Roseburg, at 9:15 a. m. Sunday. Grants Pass is reached at 1:45, and Medford at 3 p. m. From Medford the train goes to Sacramento, via Ashland, Ore.
