ILLINOIS VALLEY

The movable school which was held at Spence hall on Tuesday was a complete success. While the number in attendance was not as large as it should have been, the people were very much interested in all the speakers had to say and expressed the wish that the extension work be continued. County Agent Thompson was the first speaker, his subject being, "Why We Are Here," a general talk on the purpose of the department of agriculture in extending their work into the different counties of the state. He was followed by E. B. Flitts, extension specialist in dairy and animal husbandry. His talk was thoroughly enjoyed by all. J. E. Larson, extension specialist in agronomy, gave a talk on "The Potato and How to Grow It," and his helpful words should encourage all to greater effort along the lines suggested in his talk. A bountiful basket dinner was served at noon in the dining room of the hall. The lower part of the hall was occupied in the afternoon by the farmers, who listened to discussions by Mr. Flitts on "Hog Feeding and Management," and by Mr. Larson on "Soil Acidity and Liming." Those in-

terested asked questions and took part in making the work interesting. The upper part of the hall was used by Miss Anna Turley, extension specialist in home economics, for demonstrations in cooking, and her talk was received with enthusiasm by the ladies present. Miss Turley explained that it will be possible to secure her return for a greater length of time if the communities interested in this class of work co-operate through the agency of Mr. Thompson for this purpose. It is hoped that this action will be taken, as it would certainly benefit all. Lee Sowell's lost their house and all its contents by fire on Monday. The origin of the fire is unknown. Mr. and Mrs. Arthur Moore have gone to Salem to reside. The people having the county free library petitions in charge report excellent success in securing signers. A republican speaking will be held on Saturday night, October 21, at Takilma. Chicago—"He keeps calling up my wife, who is pretty, and trying to make a date with her." Frank Rad-dake, masseur, said, when he advertised in the papers for a certain saloonkeeper to meet him.

FOOTS CREEK

Miss Jean Fisher was recently called home by the sudden death of her mother at Seattle, Wash. Mrs. Nickelbright, of Aberdeen, Wash., was a business caller on Foots creek this week. While out hunting cattle, Ed Boling and Bert and Fred Koester killed two bucks. Charlie Kinkle killed a big buck a few days back. F. M. Gilmore, Sheman Estel and Reuben Koester left Tuesday on a hunting trip. Chas. Champlain expects his mother, brother and sisters from Chicago next week. Mrs. James Fitzgibbon will move to Medford next week. Johnny Short worked for Chas. Champlain this week. Mr. and Mrs. Jamison and Mrs. Clippen, of Galls creek, were callers on Foots creek Saturday. Mr. and Mrs. Ham have recently moved onto the old Mathew place. Robt. Malone and family recently returned from the coast. Envelopes printed at the Courier

ITALIANS CONTINUE ON TOWARD TRIESTE

Rome, Oct. 19.—Despite the inclement weather, the Italians continue to push their new offensive toward Trieste. It was estimated today that the Austrians have lost forty thousand in killed, wounded and captured since the offensive began. DYNAMITE UNCOVERS RICH POCKET OF GOLD Redding, Cal., Oct. 19.—A charge of dynamite set off at the bottom of a 200-foot mine shaft four miles west of here revealed a pocket of gold, according to word reaching here today. Fifteen hundred dollars' worth of gold is said to have been taken from the pocket in a few hours. SAMUEL HILL TO AID CALIFORNIA BOND ISSUE San Francisco, Oct. 19.—To help the campaign for the proposed \$15,000,000 bond issue for new roads in California, Samuel Hill, one of the greatest good roads authorities in the United States, came here today. Saturday he will address a gathering here in favor of co-operation between California, Oregon and Washington in the construction of the finest highway in the country from the Canadian line to Mexico.

This is the **Stove Polish** YOU Should Use

IT'S different from others because more care is taken in the making and the materials used are of higher grade.

Black Silk Stove Polish

Makes a brilliant, silky polish that does not rub off or dust off, and the shine lasts four times as long as ordinary stove polish. Used on enamel stoves and sold by hardware and grocery dealers. All you ask is a trial. Use it on your cook stove, your heater, stove or your gas range. If you don't find it the best stove polish you ever used, your dealer is authorized to refund your money. Insist on Black Silk Stove Polish. Made in liquid or paste—same quality.

Black Silk Stove Polish Works
