MAYOR WELCOMED HOME

President Allen of the club replied briefly to Mr. Reamer's statement, and gave some of the features of the fishing question as they especially af-

steps and was partially wrecked.

(Continued from Page 13)

Some Tommy prisoners declared they "put the fear of God into the Germans." It is admitted their first use caused surprise, although now there is nothing to fear. All the German soldiers have had an opportunity to study small models, brought to the front, and the artillery now knows how to destroy the real tanks.
