MEDFORD TO PLAY HERE NEW YEARS

With the east and west pitted against each other in the New Year's football contests, in both local and national sport, a large amount of interest is being shown by local football fans. With optimism high for a victory over Pennsylvania by Oregon, at Pasadena in the New-Year's game, hope for a victory locally over the Medford stars is also keen. A telegram was received by manager Harvey, of the local eleven, saying that Medford would be here Monday with one of the strongest teams yet put out. It is known that a number of college stars are slated to appear in the Bear Creekers' lineup, and this but adds to the interest of the game.

With the return of a number of Grants Pass athletes from college, the local lineup has been greatly strengthened. A number of new formations have been worked out, and with the aid of Coach Miller, a formidable team has been perfected. The locals have been practicing every night for the past two weeks, and are in better condition than any team which has yet been up against Medford in the annual clash. It is understood that a large number of rooters will accompany the Medford team on the trip.

It is better to back out than to be thrown out.

proceed. When he got back to the canyon where he had had his fire, the flames had all died out and he had no more matches. So during Sunday night, and until Tuesday he lay in the canyon with his strength fast falling because of the cold and from the pangs of hunger. Tuesday morning he thought it best to return to the trail where rescue might be more probable, or where his body could be found if he was not rescued. During the last hour of his travel he was able to proceed but 15 feet. He was near enough the trail, however, that he could make himself heard when Chas. Pittinger came down the trail shouting, and was soon surrounded by the members of the rescue party. He was given such nourishment as he could take in his weakened condition, and was then assisted to Marial, arriving there at 11 o'clock Tuesday night. Wednesday he was taken on down the river to Pittinger's, and the next day arrived at his parents home at Agnes. Commodore Fleming, the mail-carrier, was not lost at any time, for upon finding the depth of the snow too great upon the divide he returned to Marial and remained there with his pack mules till Friday.
