GOLD HILL APPROVES IRRIGATION PROGRESS

Many of the friends of irrigation will be pleased to note that the Grants Pass Irrigation district is working in perfect harmony with the officers of the local irrigation district. We like to see this spirit prevail and wish it were more common. If the local factions in our city could be brought into the same state of being there would be no limit to the business progress of Gold Hill. As long as one man distrusts the motives of his business neighbor just that long will it take for them to benefit this city. Divided, this town suffers; united, and business success is assured.—Gold Hill News.

Mrs. Chapin is the 19-year-old daughter of Mr. and Mrs. Cheshire.

"Mr. Cheshire was married when he was 21, while his mother was 15 years of age when she became a wife. His grandfather on his mother's side was 17 years of age when he married. This grandfather is now 78 years of age and is still in the active ministry of the Baptist church at Roseburg, Ore."

Reba Athea Newell, whose maiden name was Moore, was born August 31, 1889, in Florence, Colo., and died in Gazelle, Cal., September 5, 1917. Both her parents died when Reba was quite young, her mother when she was 5 years old and her father when she was 13. Paxson, of Westcliffe, Colo., and by her husband, Elmer Newell of Redding, Cal. The funeral was held from the Elmer Day residence, 421 Evelyn avenue, Sunday afternoon, Rev. Melville T.
