The services were conducted by Rev. C. G. Morris, of Wilderville.

On Sunday evening our community was thrown into a cloud of gloom when the news flashed over the wire that Rex Tufts had met with an accident causing his death. With his brother Max, he had been engaged in the general merchandise business here for over three years. On account of his genial and accommodating manner, Rex was well liked by all. About 30 residents of Kerby attended the burial service at Grants Pass on Tuesday.

The Liberty bond meeting on Wednesday evening was addressed by Messrs. Mashburn and Bramwell. Mr. Mashburn made a few opening remarks, then Mr. Bramwell was introduced and very ably reviewed the conditions which brought about the necessity for issuing the liberty bonds and the duty of all patriotic citizens to assist in supplying the means of conducting the war to a successful conclusion. Judging from the applause at the closing of Mr. Bramwell's address, the audience was in entire sympathy with the speaker. Quite a number made application for purchasing bonds and more will do so within the time limit.

The progressive 500 party given by the O. E. S. chapter after the Liberty bond meeting was quite a success, the net proceeds amounting to nearly \$20.

Rev. C. G. Morris will conduct a patriotic service at the M. E. church at 2:30 p. m. on Sunday next. Some Patriotic recitations by pupils from the school will be given and the national airs will be sung.

E. Firth, of Grants Pass, accompanied Messrs. Mashburn and Bramwell on their visit to Kerby.

VICE-PRESIDENT TO SPEAK AT PORTLAND

Portland, Oct. 29.—Thomas R. Marshall, vice president of the United States, with Mrs. Marshall will arrive in Portland Wednesday, November 7, at 7 a. m.

Arrangements for the entertainment of the vice presidential party are being made by Samuel White, chairman of the democratic state central committee.

Mr. Marshall will speak at the Armory on the evening of November 7 on "National Tendencies." The speech has been arranged under auspices of the honor guard girls and proceeds from admission charged will go into the funds of that organization.

IDAHO ALSO FACING LACK OF FRUIT CARS

Boise, Ida., Oct. 27.—Apple growers of Southern Idaho have appealed to the state public utilities commission to afford them relief from the car shortage which threatens to cause them the loss of hundreds of thousands of dollars. It is estimated that there are 3,000 carloads of apples between Weiser and Twin Falls awaiting shipping facilities, with small chance that all of the crop can be moved. The Union Pacific railroad has lifted its embargo against the use of box cars for fruit shipments, but the Oregon Short Line refuses to accept such shipments unless each car shall be supplied with a heater and each shipment accompanied by an attendant.

**Snails and Odors.** Snails perceive the odor of many substances, but only when not far away. In order to prove this it is necessary merely to dip a glass rod in a strongly smelling substance and bring it near the large tentacles of a snail in motion. If it is put close to these horns the tentacles are violently drawn back. As the animal perceives the odor it changes its course. Snails also smell by means of their skin. Contact is not necessary, for the mere vicinity of a perfume causes an indentation of the skin.

SOLDIER VOTE MAY SETTLE CONTESTS

Albany, N. Y., Oct. 27.—The voting preferences of nearly one-tenth of the electorate of New York state, as expressed at the polls on November 6, next, will not be known until nearly eight weeks later.

This unique condition arises from the fact that approximately 135,000 of the 1,700,000 voters are now enrolled in the military and naval forces of the United States, and consequently, will be obliged to record their political choice under the soldier vote provisions of the election law. The voters in federal service will cast their ballots wherever they are stationed, whether in France, Hawaii, Panama, along the Mexican border, in camps and cantonments of the national guard and

national army, on on board ships of the navy.

An interesting feature of last year's soldier vote on the Mexican border was the election of an assessor in the city of Cohoes by the vote of one resident of that city who was serving at McAllen, Tex., with the Second New York field hospital. The result in the city was a tie, which was broken by the ballot of the Cohoes guardsman on the Rio Grande.
