CHICAGO MAN ACCUSED OF KILLING PHYSICIAN

southern fronts within past few days, and of significant cablegram just received from the prime minister of France. It is clear that we shall need much more than \$35,000,000, and this in the national interest as well as for the sake of the allies. These recent developments have convinced our best advisers that the war will continue longer than most of them anticipated when our goal was fixed. All think it most desirable to raise a sum sufficient to make another drive unnecessary prior to October, next.

"Subscriptions are coming most liberally from practically all sections of state. You are urged to prosecute campaign and produce as great results as possible. Several counties have already over-subscribed. Conditions throughout state most pleasing. Fill your allotment at earliest possible date then work for largest possible surplus. Watch papers for telegrams from White House and members of cabinet. It is good ammunition.

SELF DEFENSE

DEFEAT BACKACHE AND KIDNEY TROUBLE WITH ANURIC.

Many people in this section have suffered from rheumatism and kidney trouble and have found Anuric to be the most successful remedy to overcome these painful and dangerous ailments.

The lucky people are those who have suffered, but who are now well because they heeded Nature's warning signal in time to correct their trouble with that wonderful new discovery of Dr. Pierce's called An-u-ric. You should promptly heed these warnings, some of which are dizzy spells, backache, irregularity of the urine or the painful twinges of rheumatism, sciatica or lumbago. To delay may make possible the dangerous forms of kidney disease, such as Bright's disease, diabetes or stone in the bladder.

To overcome these distressing conditions you should take plenty of exercise in the open air, avoid a heavy meat diet, drink freely of water and at each meal take Dr. Pierce's Anuric Tablets (double strength). You will, in a short time, find that you are one of the firm indorsers of An-u-ric, as are many of your neighbors.

Send Dr. V. M. Pierce, Buffalo, N. Y., 10 cents for trial package.

RETAIL, WASH.—"I was troubled getting up at night for two years. Finally I took a trip to Florida, and while there I sent to Dr. Pierce for some Anuric Tablets and two dollars' worth of the Golden Medical Discovery Tablets. I took them as he directed and have not been troubled with my water for some time. I have been well now five months. I think the Anuric Tablets are all O. K."—W. J. Goetz, Washington Vet. Home.

PORTLAND, OREGON.—"Doctor Pierce's Anuric Tablets gave me great relief after eight years of suffering with kidney trouble and dropsy of limbs and feet. Anuric is certainly good."—Mrs. J. Caswell, 47 Stephens Street.

Doctor Pierce's Pellets are the original Little Liver Pills. One Little Pellet for a laxative, one for a cathartic. Sold by druggists.

Thursday noon to hear final reports from the several committees.

New York, Nov. 13.—The Rockefeller foundation has promised to give outright \$1,000,000 toward the \$35,000,000 war work fund of the Young Men's Christian association and to give in addition 10 per cent of the entire amount raised, its total contribution not to exceed \$3,500,000, it was announced last night.

Gifts of \$500,000 from two contributors toward the \$35,000,000 Y. M. C. A. war welfare fund, were announced at a luncheon here today. J. P. Morgan and company gave \$350,000 and the Standard Oil company of New Jersey for itself and subsidiaries gave \$250,000.

PARIS TO FOLLOW WITH BREAD CARDS

Paris, Nov. 13.—Bread cards have been issued to the housewives of Paris, though the regime has not yet been instituted. The ration which was fixed at a pound per day per head by the preceding minister of provisions, will probably not exceed half pound per head. Bulgaria, whose principal resources are agricultural allows a pound a day. Bread rations to civilians in belligerent and neutral countries to date are as follows:

Bulgaria, 16 ounces; Denmark, 19 ounces; Germany, 9 ounces; Austria, 9 ounces; Sweden 8½ ounces; Holland 8 ounces; Switzerland, 8 ounces; Italy 8 ounces; England (families) 8 ounces; England (restaurants) 7½ ounces; Turkey 5 ounces.

Bread is made in Germany of flour containing 94 per cent of wheat, in Austria the flour is 90 per cent, while 85 per cent is used in France.

Why He Was There.
