OREGON WEATHER

Probably rain; light southerly winds.

JOIN

Join the Red Cross. There is not the slightest reason why every adult, and many of the children, citizens of Josephine county should not be enrolled in this grand institution.

The main object of the drive is to get the population of the country into actual participation with the patriotic movements that are so necessary behind the actual war-making activities of the government.

Of all the worthy causes which have come before the people of the country since the beginning of the war, none should come nearer to the hearts of the average American than this.

HOT SOUP IN RURAL SCHOOLS, PLANNED

Working in co-operation with Mrs. Bacon, county superintendent of schools, Miss McCormick, district home demonstration agent, has prepared a circular setting forth the advantages gained by serving hot lunches in rural schools.

every rural teacher in Josephine county. Since hot lunches can be served at little or no expense by following the plan outlined it is hoped that many rural schools will begin the hot lunch work this year.

A hot soup prepared at school and used to supplement a small well-prepared home lunch will materially improve the child's health and his school progress. Very little expense, if any is necessary in order to serve a hot appetizing soup each day.
