Who Made the Kaiser?

Young men were made to be soldiers
Irishmen were made to be cops,
Saurekraut was made for the Germans,
Spaghetti was made for wops,
And John Deere makes plows for the farmers.

Fish were made to drink water,
And bums were made to drink booze,
Banks were made for the money,
Money was made for the Jews,
And John Deere harrow are made of steel.

Every thing was made for something,
Syrause plows are made to give satisfaction,
God made President Wilson,
But who in H— made the Kaiser?
