

THE GREAT WAR HAS MADE CIGARETTES A NECESSITY.

"Our boys must have their smoking. Send them cigarettes!" This is a familiar slogan now to all of us.

Among those most in demand is the new "LUCKY STRIKE" cigarette. Thousands of this favorite brand have been shipped to France. There is something homelike and friendly in the sight of the familiar green package with the red circle.

This homelike, appealing quality of the LUCKY STRIKE cigarette is largely due to the fact that the Sherry tobacco used in making it has been tested. "It's tested" was the slogan that made a great success of LUCKY STRIKE in less than a year. Now the American Tobacco Co. is making 15 million LUCKY STRIKE Cigarettes a day.

A good part of this immense production is making its way across the water to show our boys. The Red Cross has distributed thousands of LUCKY STRIKE Cigarettes.

FRUITDALE

Mr. and Mrs. Fred Carpenter and J. H. Harris were recent dinner guests at the George A. Hamilton home.

Attorney Miller and wife called on Mr. and Mrs. Alonso Jones Sunday afternoon.

Mrs. E. Rosa will spend about two weeks with her sister, Mrs. F. G. Rogers, while Mr. Rosa is in Tacoma, Wash.

Mr. and Mrs. Robert Nelson visited Mr. and Mrs. Hagen last Thursday evening.

George A. Hamilton has been appointed as a member of the third Liberty loan committee for District No. 9.

Kraus, Anna and Robert Nelson attended the farewell party given for Gebe Halliday at the Guild hall. Kraus and Robert were members of the orchestra.

Last Friday afternoon the school entertained with a debate and recitations. Miss Hall has organized the children into a debate club and after a few explanatory words by the teacher, Miss Mable Potts as president of the club, took charge of the program, which they carried through just like grown ups, even to reading the interesting paper they edit, "The Fruitdale Courier." The question under debate was "Resolved, that City life is better than country life," which was well handled on both sides by Wanda Wardrip and Donald Nelson for the affirmative and Virvan Wardrip and William Seaman on the negative. The children had previously elected three of the neighborhood ladies for judges, who decided for the negative side. About ten ladies were present and joined in the Junior Red Cross work for the balance of the afternoon.

Gail Hamilton, Anna Nelson and Grace Redding attended the April fool party at the home of Mrs. M. T. Ludden in Grants Pass.

Mrs. Alonso Jones had for dinner guests last Sunday, Mr. and Mrs. Charlie Williams and family. Mrs. Williams is the sister of Mrs. Jones.

The Rev. Adams will speak at the grange hall next Sunday at 3:30 o'clock.

Worth Hamilton writes from France that he had the pleasure of meeting with Wallace Contant and Dana Ament of Grants Pass.

Oliver McIlwain has returned from the east.

ARGENTINE TAX PROTESTED

London, Apr. 2.—Shipping interests have made strong representations to the British foreign office against Argentina's new war tax of about 50 cents a ton on all overseas vessels entering Argentine ports. It is alleged that the tax will be a heavy burden upon cargo vessels sent to the River Plate to carry away the 2,000,000 tons of wheat purchased there for the allies.

STUMEZE

Stomach Trouble Relieved by First Dose

"I was bothered with nervous dyspepsia and chronic stomach trouble so badly the doctors could not give me any relief. They were going to take me to the X-ray but STUMEZE saved me the expense. One dose of STUMEZE and I got relief within twenty minutes and am now back to myself again after months of misery. I have taken several bottles of this wonderful medicine and cannot recommend it too highly."—W. C. McDougal, Colorado, California. If your stomach hurts, if you have gas, sour risings, belching, dyspepsia, indigestion, acidity of the stomach or flatulence, go now to your druggist and get a bottle of this water prescription for stomach and digestive ills. It is a guarantee.

commensurate four people, and these we immediately sold out. Then a brilliant idea came to Ray Coburn. Why not use the rafters overhead, call them boxes, and charge two frames for a seat on them? The only difficulty was how were the men to reach these boxes, but to Ray this was a mere detail.

He got long ropes and tied one around each rafter and then tied a lot of knots in the ropes. These ropes would take the place of stairways.

We figured out that the rafters would cost about forty men and sold that number of tickets accordingly.

When the ticketholders for the boxes got a glimpse of the rafters and were informed that they had to use the rope stairway, there was a howl of indignation, but we had their money and told them that if they did not like it they could write to the management later and their money would be refunded; but under these conditions they would not be allowed to witness the performance that night.

After a little growling they accepted the situation with the promise that if the show was rotten they certainly would let us know about it during the performance.

KERBY

Miss Mary Brady, of Grants Pass, is visiting her sister, Mrs. Phil Desinger.

Mrs. Jack Brady, of Holland, and two sons were Kerby visitors on Saturday of last week.

Bert Adams was in from his mining camp on Wednesday.

Jim Hogue has joined the jitney service and is making daily trips to Grants Pass and other places.

During the last week travel has increased greatly.

T. J. Shattuck and family are now entertaining Mr. Shattuck's mother, of Grants Pass, and his sister of Portland.

C. D. Clark, of Holland, came to Kerby on Wednesday with his little son for medical treatment. The son is improving under treatment of Dr. O. C. Dixon.

On Sunday a number of ladies from Kerby, accompanied by Mrs. J. C. Willis, visited the Kerby boys who are working at the forest nursery at Tillamook. They were prepared to give the boys an Easter picnic dinner. The young ladies were Misses Irene Anderson, who drove the car, Georgia Shattuck, Vera and Flora Turner and Raffle Willis.

The boys now working there are Tom Young, Lloyd and Bill Stevenson, Leland Willis and Earl and Edson McCallister.

Three trucks are now regularly hauling ore to Waters Creek. J. O. Turner and son, Ray, are managing one while Shattuck, Graham, Long and Fairchild have the other two. The trucks are kept busy running almost all of the time, day and night, when weather and road's permit. Several horse teams are also engaged in ore hauling. Uncle B. H. Hogue, Barney Payne, Alex George and occasionally others are kept busy.

George Duncan, who was thrown from his wagon and sustained a broken collar bone some days ago, is improving.

Mrs. Gordon and family have returned to Kerby, arriving here Wednesday.

"Dad, Terrible" returned Wednesday from a trip to Grants Pass with team and wagon. Spring fights on the Illinois have opened. Sheriff Lewis and deputy came out one day this week and made an arrest for cattle killing on the range a short distance from Kerby.
