The Password for Tires

CHALLENGE every tire before you buy. Make it give the watchword of tire quality, Tested. Make it show the countersign of tire supremacy, the Goodrich trademark. If a tire answers "Goodrich Tested," buy it. It is a friend.

It will give you full and lasting service because its service, put to the nation-wide road test of Goodrich Test Car Fleets, has measured up to the Goodrich standard of tires, the Tested of—

GOODRICH TESTED TIRES

There is no risk with the tire that can give the password "TESTED," for no weakness, no structural failing, could hide itself during the month to month, season to season, testing of the Test Car Fleets.

SILVERTON... **BLACK SAFETY TREADS**, challenged American... under light and heavy cars fought sand, gravel, mud, snow, and slush, and defeated them. ... wrapped, cable-cord tire body stood staunch against the hammering of mountain trails. The close-clutch, cross-barred, non-skid black safety tread, baffled the teeth of desert and prairie paths.

Demand this password of all tires before you buy, and you will get the durability, dependability, and economy of the tires which the roads of every region of our land proclaim, "America's Tested Tires."

MOVIE NEWS NOTES

Charming Viola Dana again, in a role that has been especially written to suit her winsome personality—although Miss Dana is a star of brilliant and versatile attainments who asks no odds of any one. "Breakers Ahead" is a story of the sea and sear-faring people. Bluff old "Captain" Scudd, Eric Pixley, his first mate, Mike Hurley, the ruffian willing to steer "The Wasp" upon the rocks in order to collect the insurance money, and little wail, Ruth, who grows up with the sound of the salt sea pounding in her ears, becomes very real to the spectator. "Breakers Ahead" will appeal to those who dwell near the sea, and also to land-locked people who live far from the coast, and everyone, everywhere, will admire the beauty of the sea scenes.

This splendid attraction will be shown at the Joy theatre this week.

I went to the theatre
With a low-brow friend
And the orchestra played
"The Little Brown Jug."
And he thought
It was the national anthem
And stood up.
And I did, too.

W. S. S. WORK ACTIVE IN COUNTRY SCHOOLS

War savings stamp societies have been organized in the following districts:

- District No. 11, Leland, Inez Reeves, teacher.
- District No. 22, Hugo, Mary Oaks, teacher.
- District No. 34, Leland, Francis Mussick, teacher.
- District No. 6, Dryden, Anna Hansen, teacher.
- District No. 8, Provolt, Maude Bradford, teacher.
- District No. 9, Missouri Flat, Thomas Wimer, teacher.
- District No. 50, Meritt, Daisy Cole teacher.
- District No. 43, Selma, E. A. Hampton, teacher.

Fine W. S. S. work is being done in the outlying districts by most teachers and pupils.

Many people do not realize what the purchase of even one thrift stamp means to some children. The following extract from a letter received by the county superintendent, Mrs. Bacon, is only one of many instances of the work and self-denial practiced by the little fellows. No finer example of patriotism can be found:

"One little boy whose mother is a widow has earned money to purchase ten thrift stamps by carrying wood for a hotel. He is a small, undersized child, weighing only 30 pounds, but strictly on the job when it comes to heating the kaiser. One little girl held goats while her brother sheared them. She confided to me that she thought that the thrift stamps were well earned, for some of the goats are as good kickers as the kaiser himself. 'But,' she hastily added, 'there's no German about them.' Three children are trying to pick wild strawberries and sell them, others are selling papers and junk."

All seem to have the proper spirit and are doing good work.

Daily Thought.
In the long run men hit only what they aim at. Therefore, though they should fall immediately, they had better aim at something high.—Henry David Thoreau.

Daniel Boone's "Relegan."
Instinctively like answers the call of like, and perhaps the reason so many of us venerate the memory of Daniel Boone, great pioneer, explorer, hunter and surveyor, is that we have a similar gift for spelling. The Columbia Missourian reprints the following letter, written by Boone shortly before his death: "All the relegan I have is to Love and fear God believe in Jesus Christ do all the good to my neighbor and my self that I can and do as little harm as I can help and trust on gods marcy for the rest."—Kansas City Times.

Neat Way of Putting It.
Roland was usually put to bed at a certain hour every night, but almost always objected, not liking to own that he was tired and sleepy. On one occasion his mother was too busy to notice that for once he was ready to be put in his little bed. Not liking to own it, evidently, he edged up to her and, gazing wistfully into her face, he inquired: "Mamma, isn't you getting tired?"

Announcing AJAX Shoulders of Strength

NOTE in the picture below the special supports inbuilt into Ajax Tires. They brace the tread where road strain is greatest. Shoulders of Strength are a special patented Ajax feature. They reinforce and cushion the tread, thereby adding to your mileage. Shoulders of Strength distribute road wear evenly over the entire width of the tread. Wear does not come in one spot to grind through to the fabric.
